The world they gave us

*Let the work of their
fathers and elder-brothers
be cancelled this instant
and what would happen?
Everything that we are —
everything that we will be —
wouldn't need to be erased.*

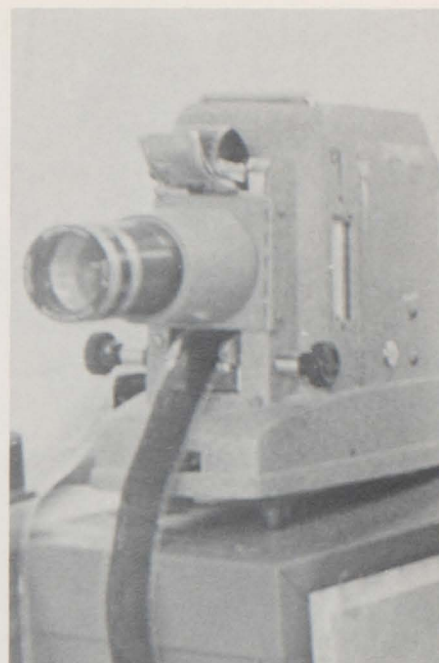

*Nothing — only every tool,
bus, car, light, torch,
bulb, print, film, instrument
or communication depending
for its lite on electrodynamic
power would stop and stand
dumb and silent.*

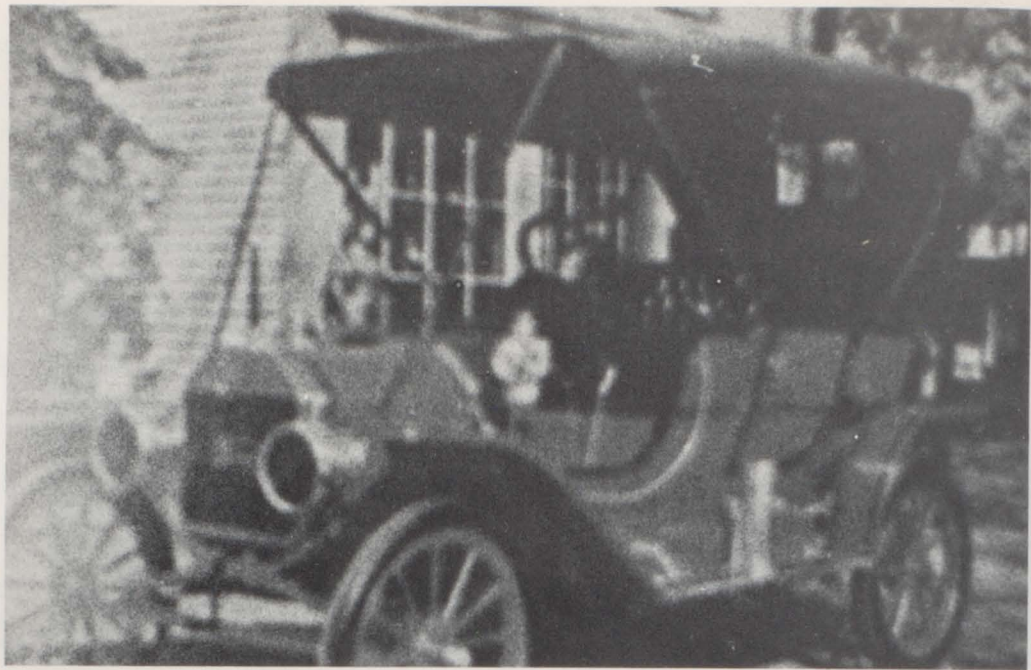

Carl Sanburg

*Even our egos, wrapped in the
colorful threads of our everyday lives,
could not escape the cancellation.*

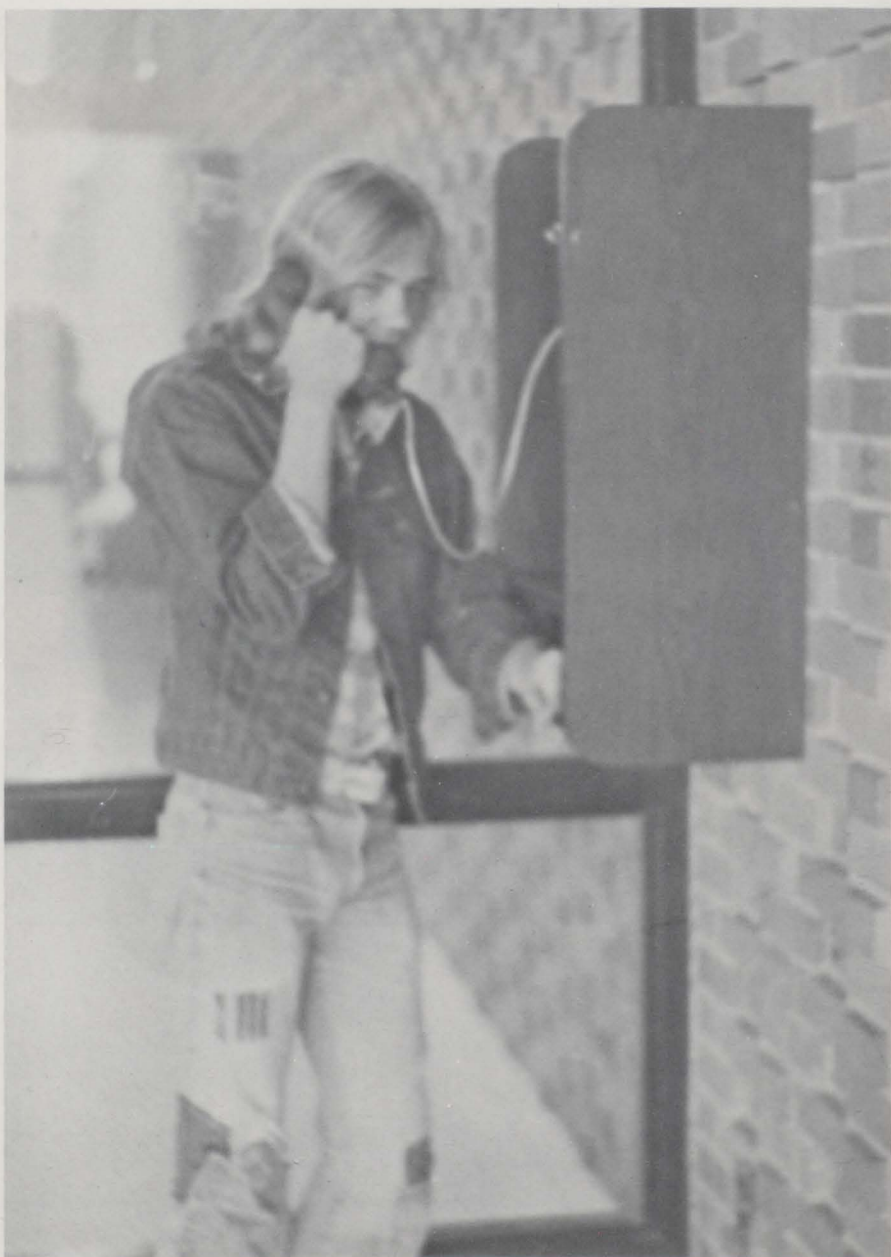

*They were brilliant; they live on
through history. They are our fathers
and elder brothers. Soon we will take
their place.*

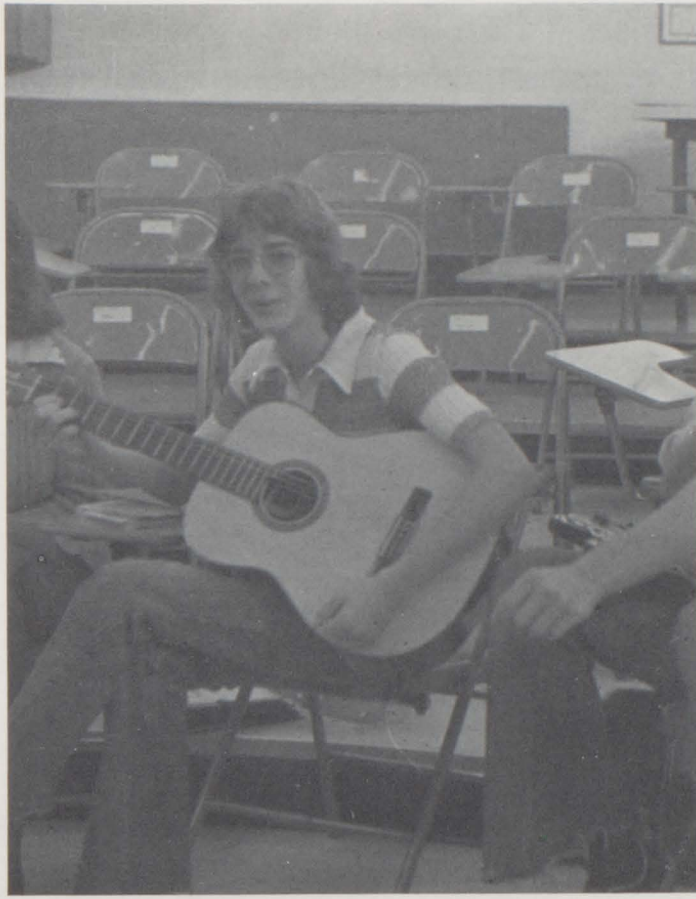

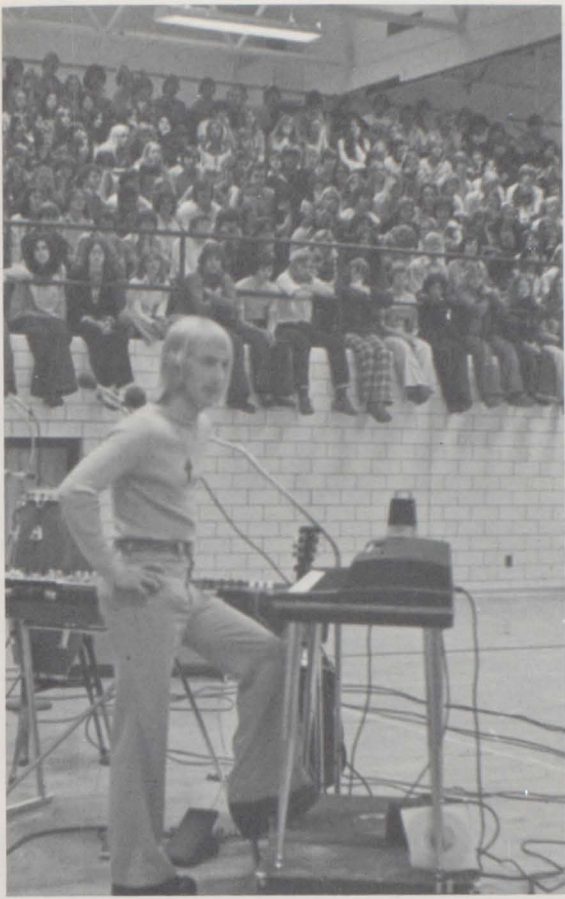

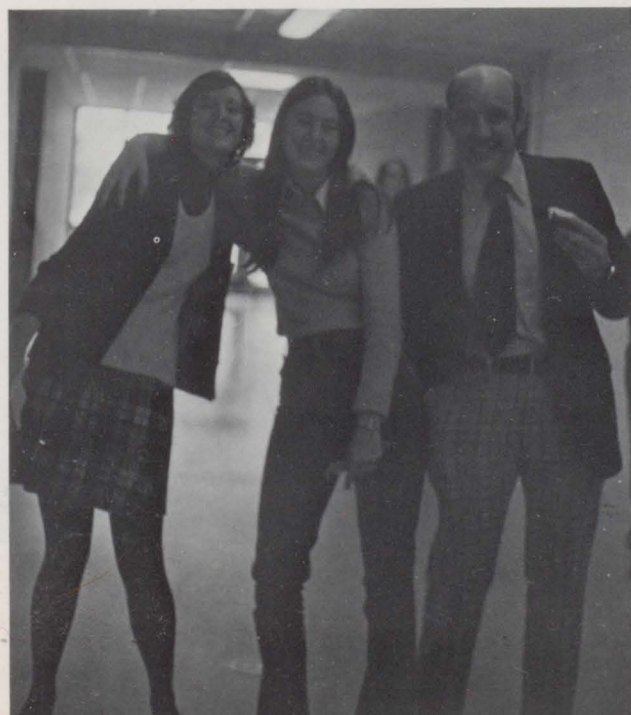

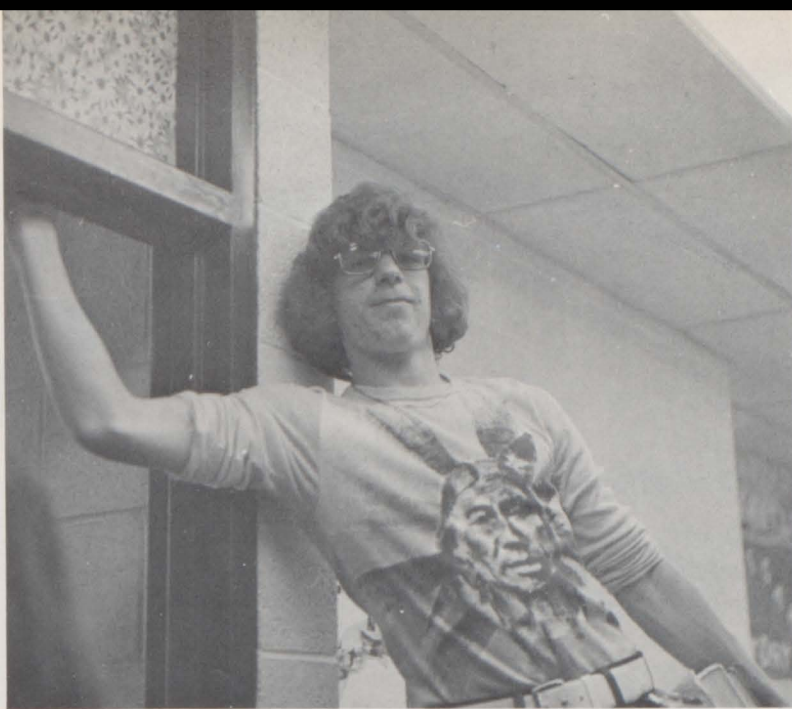

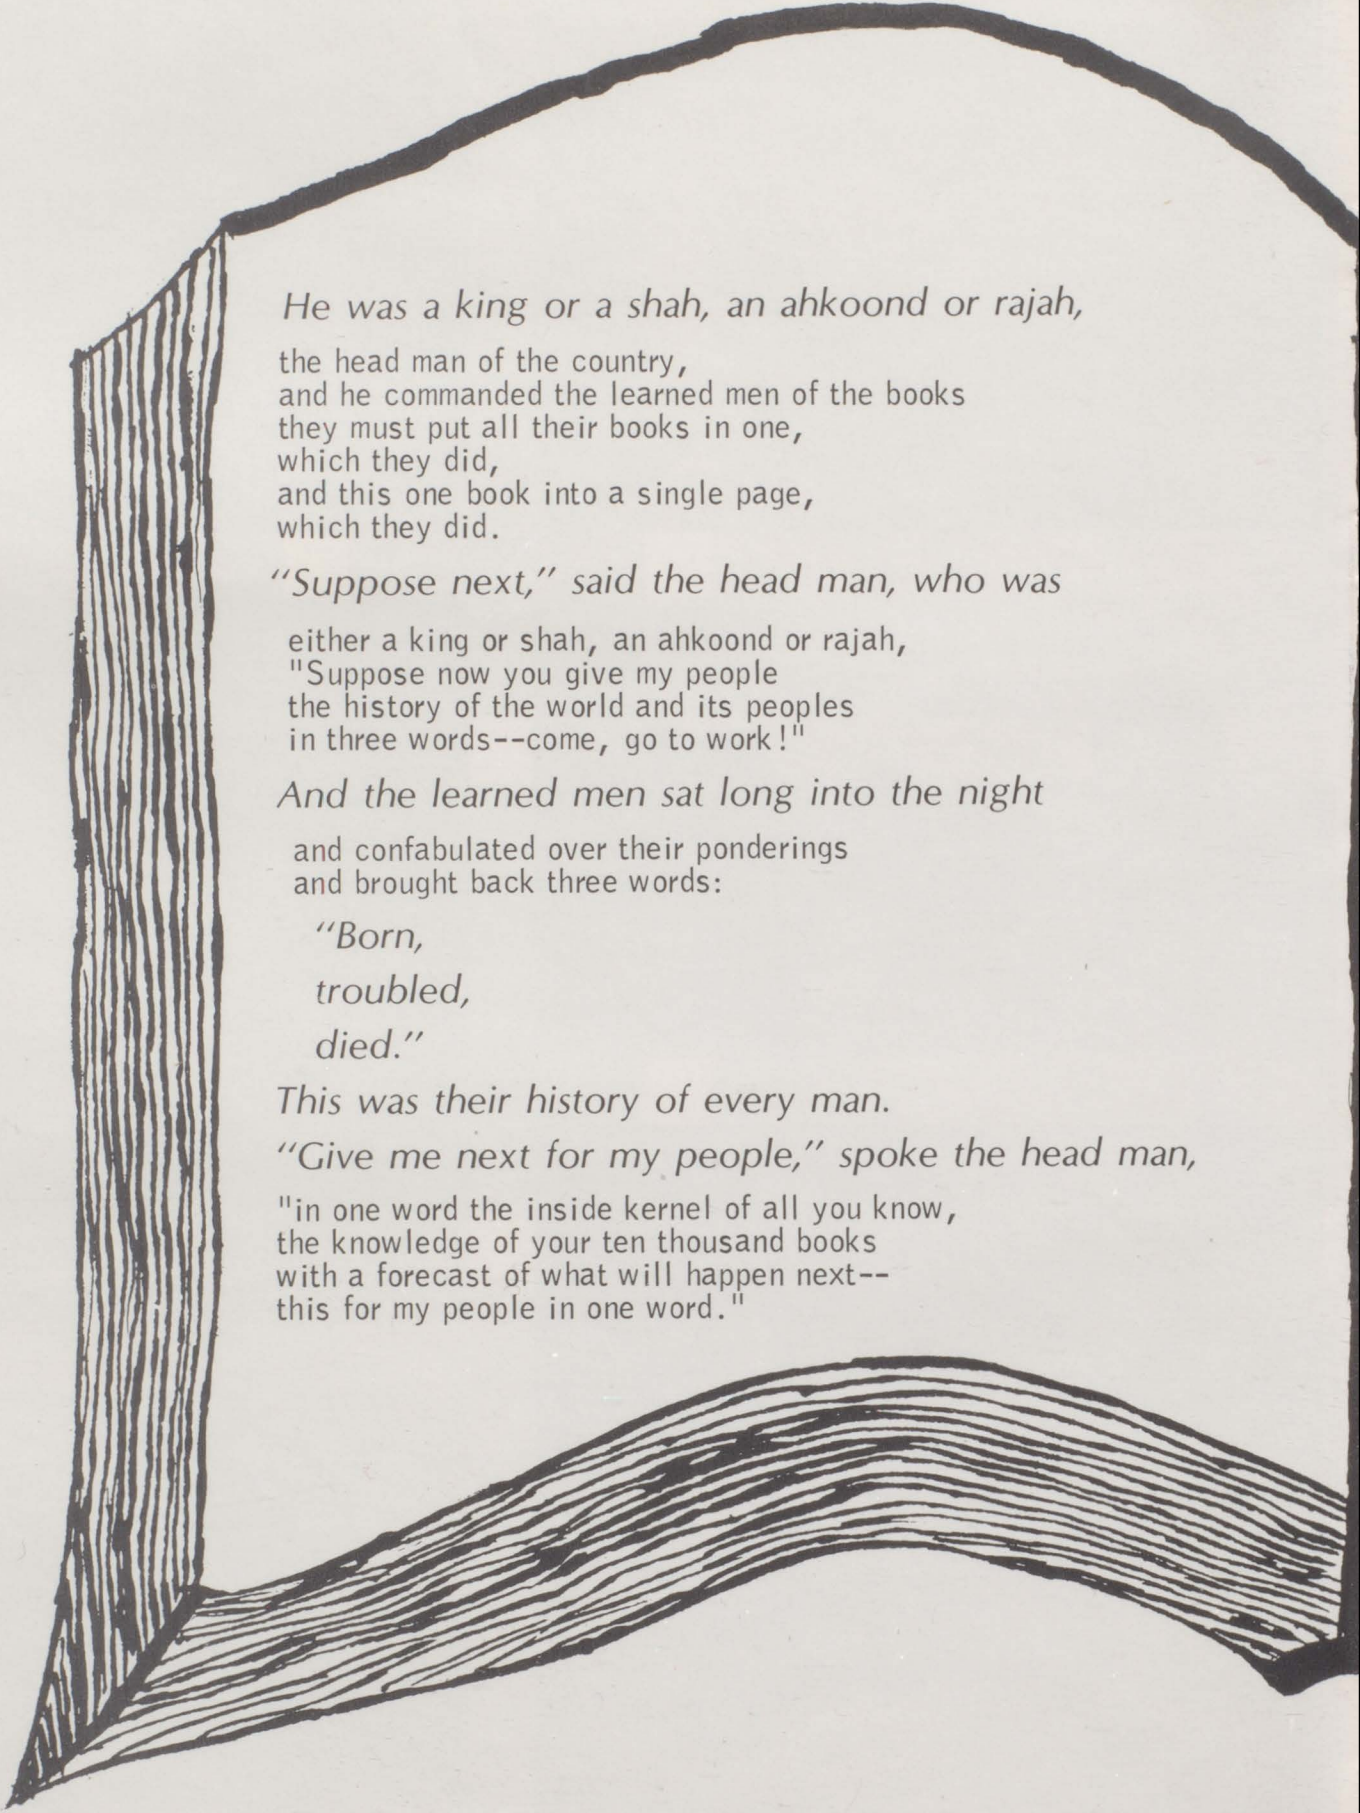

*He was a king or a shah, an ahkoond or rajah,
the head man of the country,
and he commanded the learned men of the books
they must put all their books in one,
which they did,
and this one book into a single page,
which they did.*

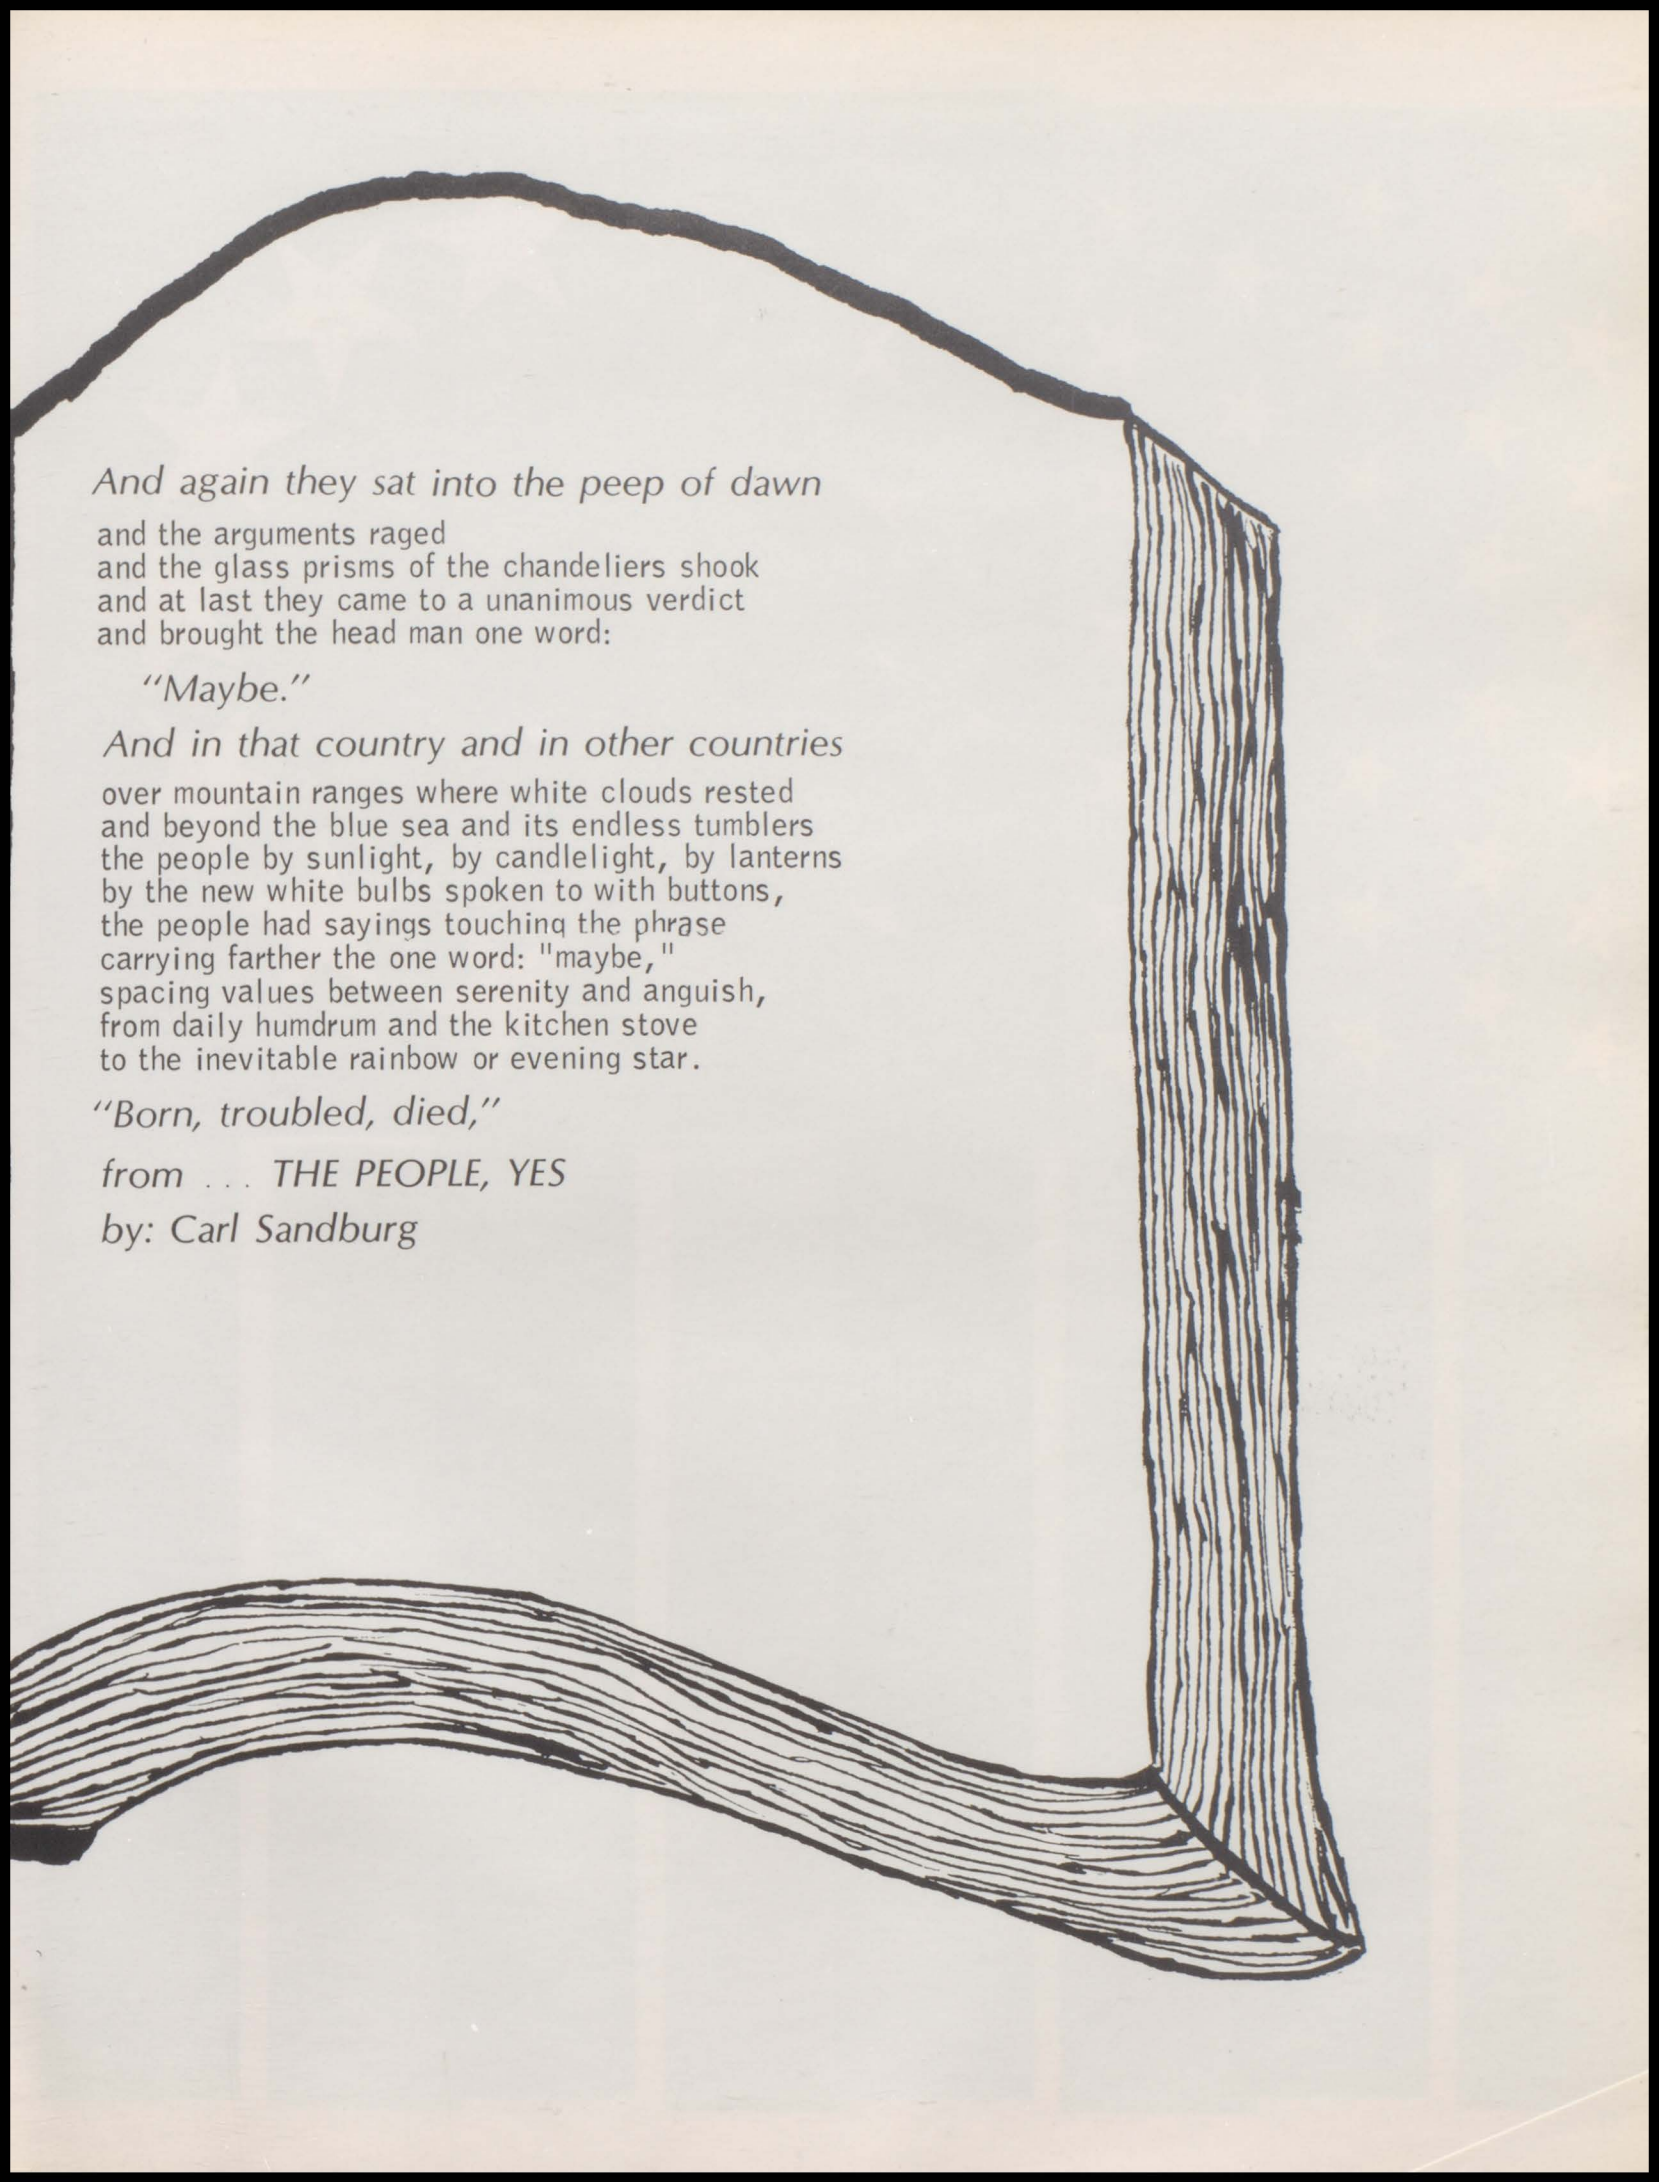

*"Suppose next," said the head man, who was
either a king or shah, an ahkoond or rajah,
"Suppose now you give my people
the history of the world and its peoples
in three words--come, go to work!"*

*And the learned men sat long into the night
and confabulated over their ponderings
and brought back three words:*

*"Born,
troubled,
died."*

This was their history of every man.

*"Give me next for my people," spoke the head man,
"in one word the inside kernel of all you know,
the knowledge of your ten thousand books
with a forecast of what will happen next--
this for my people in one word."*

And again they sat into the peep of dawn

and the arguments raged
and the glass prisms of the chandeliers shook
and at last they came to a unanimous verdict
and brought the head man one word:

"Maybe."

And in that country and in other countries

over mountain ranges where white clouds rested
and beyond the blue sea and its endless tumblers
the people by sunlight, by candlelight, by lanterns
by the new white bulbs spoken to with buttons,
the people had sayings touching the phrase
carrying farther the one word: "maybe,"
spacing values between serenity and anguish,
from daily humdrum and the kitchen stove
to the inevitable rainbow or evening star.

"Born, troubled, died,"

from . . . THE PEOPLE, YES

STUDENT LIFE

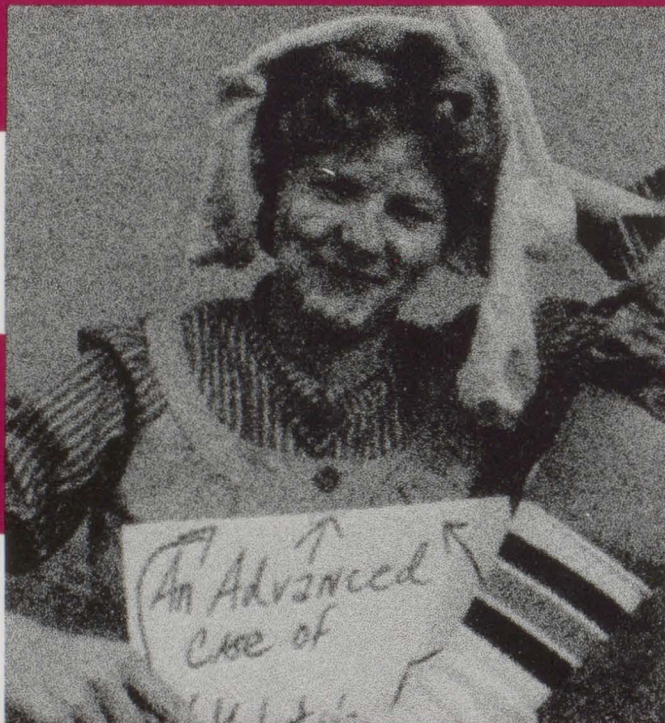

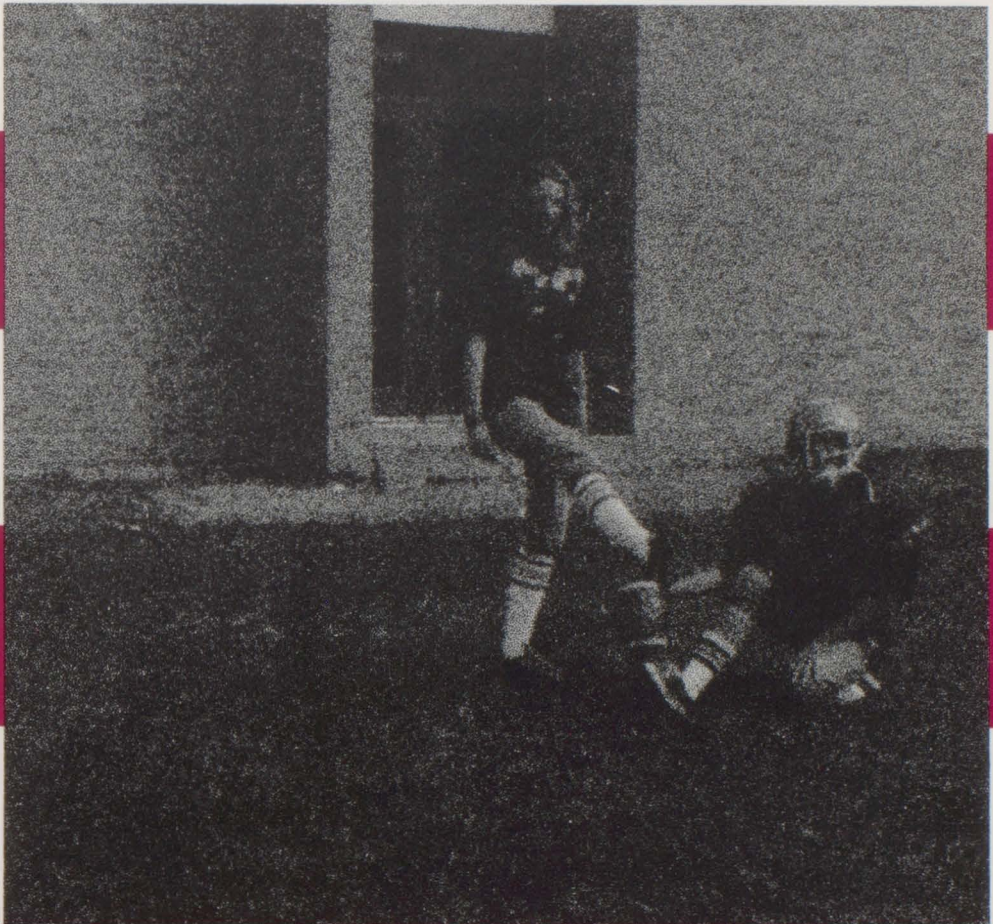

The Spirit of '76! Spirit Week

The spirit took over Northern the week before the game with Port Huron High. The spirit started out warm and became hot. Red, white, and blue day started out the week. There was not as much participation as expected, but as Tuesday rolled around everywhere you looked there were long skirts, greased hair and bobby socks.

Wednesday was athlete's day, so everyone was able to be on the team. Thursday, down on the farm day was hilarious. So many people dressed up as farmers, their wives and other farm things, the day was altogether perfect.

Blue and gold day came on the last day of the week, Friday. Everyone wore school colors to help the Huskies on to victory.

A blur of excitement

Mardi Gras assembly offered little in the way of new games, but the upsurge of spirit was really something new. Each class put forth their best effort in their push for points. The end result was seniors and sophomores shared first place. The freshmen pulled a surprisingly strong third and the junior class placed a lowly fourth.

Chilled victory

A 15-0 victory over East Detroit highlighted a perfect weekend for Mardi Gras. Forty degree temperature combined with thirty knot winds brought the temperature down to a mere twenty degrees, making a frosty night for football. Spectators bundled up well and at half-time they greeted the Mardi Gras court with deafening enthusiasm.

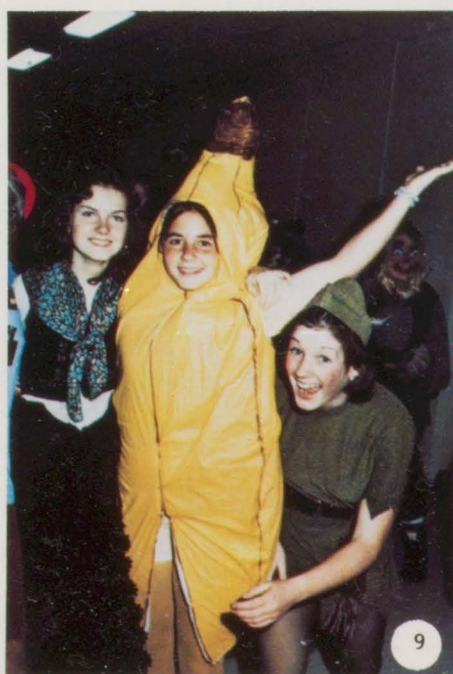

The cart race was a special attraction during halftime. There was mass confusion at the starting line as usual. The freshman cart collapsed before it even got to the starting line. No one knew where their starting slot was, and some cart runners didn't show. Somehow, everyone compensated for the disorganization and a very exciting race ensued. At the finish line, the senior cart pushed a fast first and sophomores ran a close second. The juniors pushers lagged behind for a dismal third and the dilapidated freshman cart fell apart at the seams for a disappointing fourth place finish.

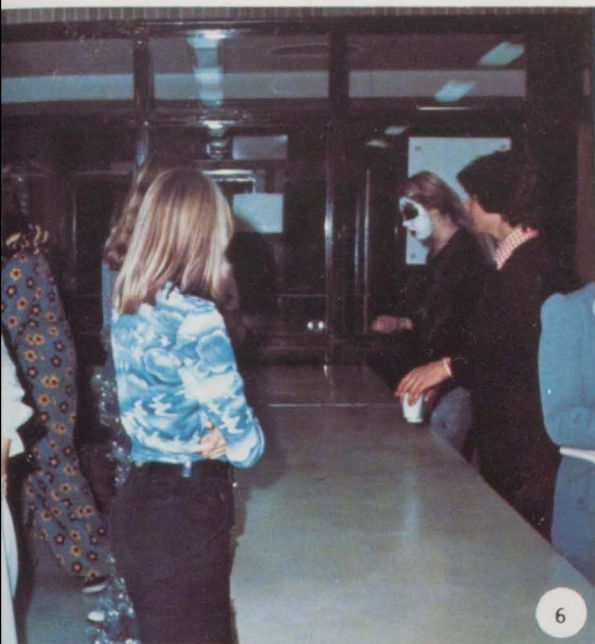

Mardi Gras characters in a Disney-whirl

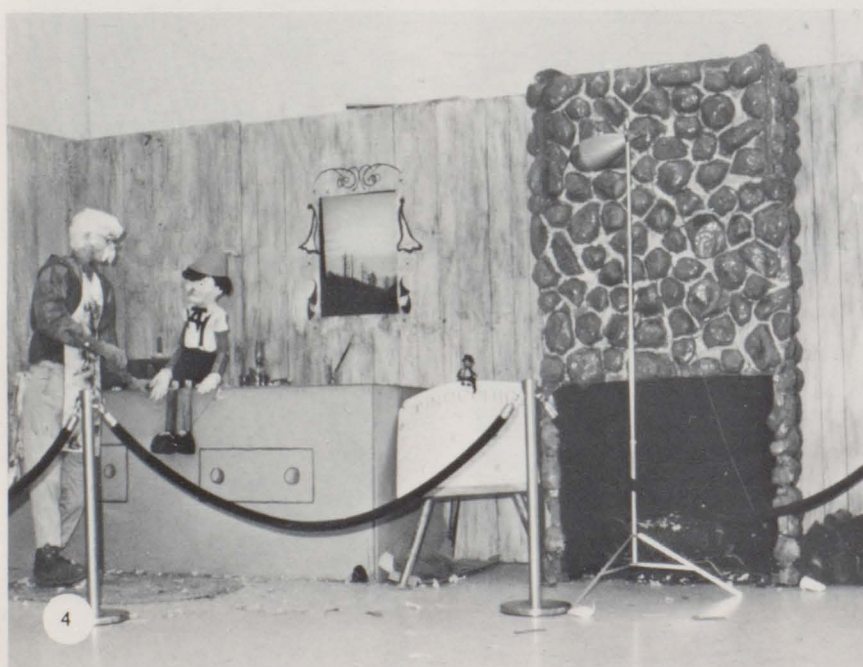

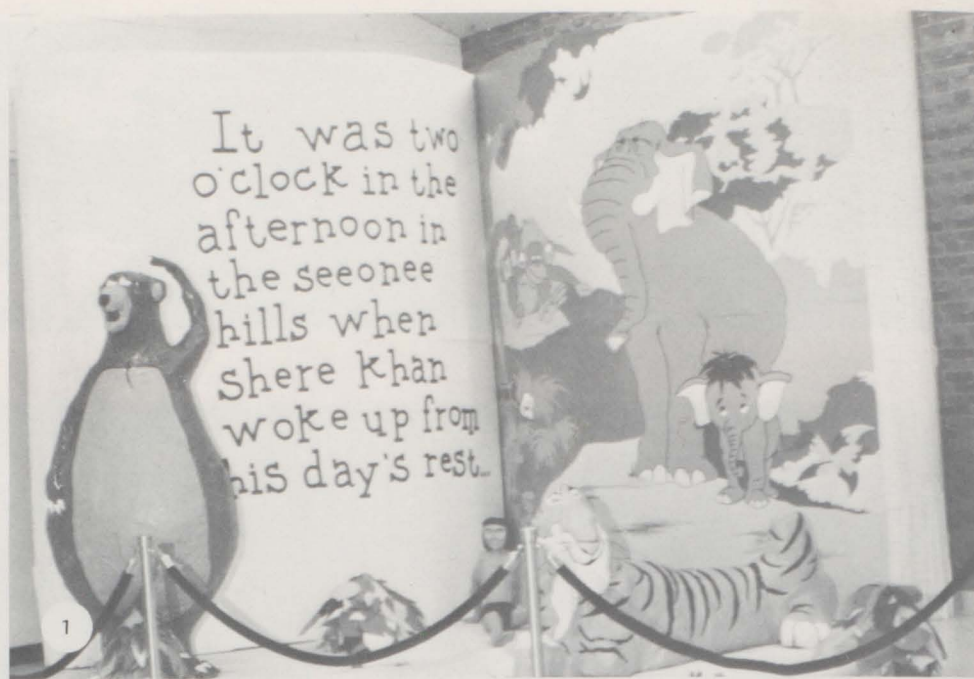

1. Greg and Martha exchange a happy glance while the crowd separates to let them through. 2. Let's not lose our heads over the great music! 3. Mr. Overly enjoys Mardi Gras as much as the students. 4. Terry's smile is just something that could not be missed. 5. Bill Jowett and Sally Sturdevant, a couple of dolls, came as Raggedy Ann and Andy. 6. "It must be my break," yawns Wendy. 7. The Tin Person looks as if she has lost the Wizard, but she won second place in the costume contest. 8. Not finding Snow White, the wicked witch, Mr. Pike, offers his apple to Minnie Mouse. 9. Chiquita (Kris Berg) won third place in the costume contest. 10. Howard Henderson is looking for Kiss, his favorite music. 11. Anne Bonadio's crowning as our Queen, will be a memory for many. 12. Elton, we were glad you could make it!

*Wonderful
walls of
Disney*

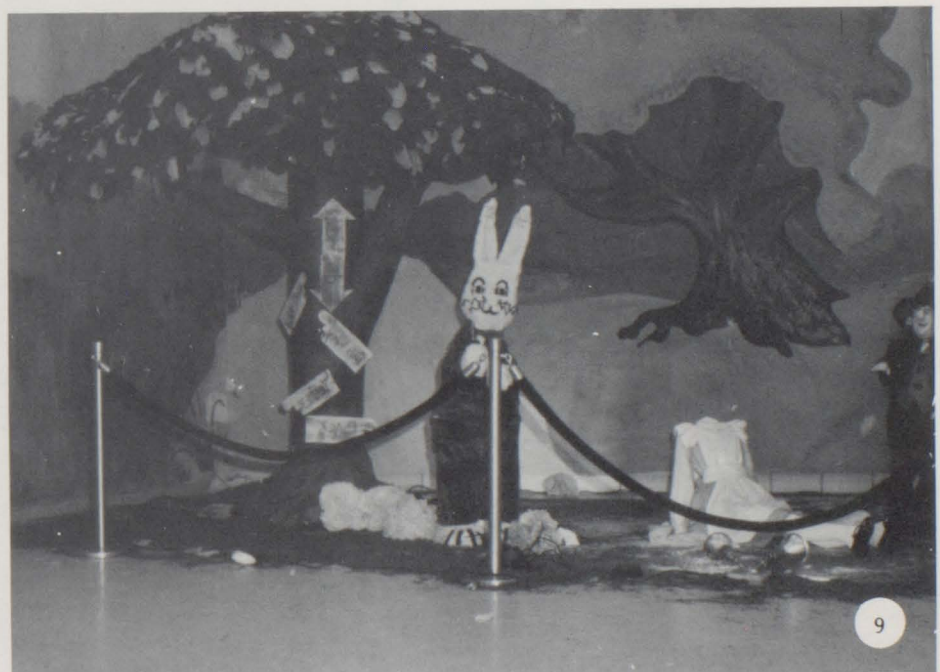

This year every class was "Disney-minded." People were talking about Alice in Wonderland, The Jungle Book, and Pinocchio.

The reactions to the announcement about the winners were quite different. The juniors were overjoyed when it was announced that they had first place. The real surprise was that the freshmen took second place. This is the first time freshmen have not received last place.

Because of the great effort which goes into the wall, coming in third or fourth is difficult to take. The seniors removed the head from third place Alice and carried it around. The sophomores dismantled the Sourcerer's Apprentice and the dancing brooms leaving the background to represent their efforts.

1. The winning junior wall: The Jungle Book, 2. Sophomores cap off their efforts by finishing the Sourcerer's Apprentice, 3. The freshmen put it together for second place, 4. Second place winners: Pinocchio, 5. Perfecting touches wall in Pinocchio, 6. The sophomores build toward higher goals, 7. The judgment day brought ruins to the sophomore wall, 8. The seniors have a grand time building their tree, 9. The senior wall loses Alice's head,

Anne Bonadio!

Our Bicentennial Queen

Anne has accomplished a lot in her four years of being at Northern; in her freshman year, she was on court. During her sophomore year she was her class president. While a junior, she was vice-president of student council, second semester. Finally, in her senior year, she was crowned our Bicentennial Queen!

Our Bicentennial Mardi Gras Court

TOP ROW: Junior-Sue Willey, Senior-Autum McMakin, Senior-Anne Bonadio, Senior-Josie Rader, Junior-Terri Smith,
BOTTOM ROW: Sophomore-Martha Curti, Freshman-Kelly Moss, Sophomore-Carolyn Post.

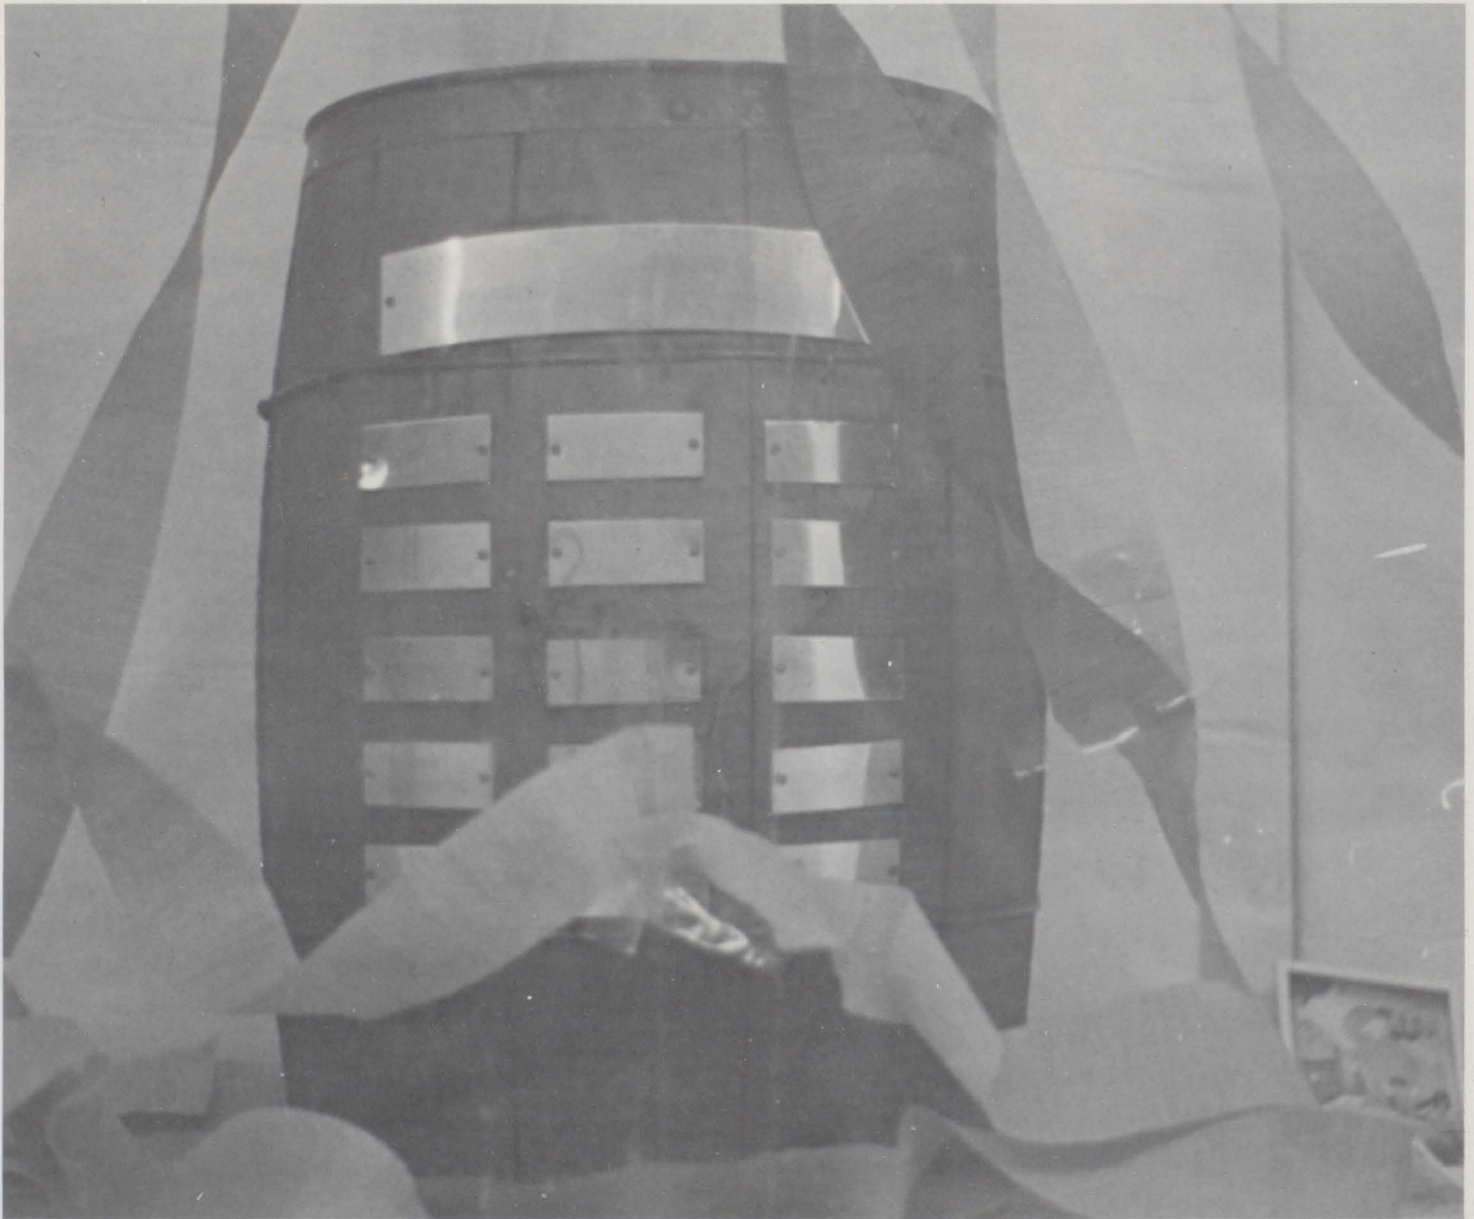

The Juniors won!

The juniors may have come in last in the games and only third in the cart race, but their creation of "Jungle Book" took first place. This pulled them through to win the barrel.

The barrel winner is figured through a point system. In the games, you get eight points for first place, six points for a second place, four points for a third place, two points for last. In

the cart race, twenty points goes to first place, fifteen goes to second place, ten points goes to third, and five points goes to last. The walls count the most. First place is worth sixty big points, second place is worth forty-five points, third place is worth thirty, and fourth place is worth fifteen.

Hurray for the Hemoglobin, White, and Blue!

The Bicentennial Blood Drive was truly bicentennial in every respect. Co-chairpeople Mike Hughes and Julie Parrish tallied up the '76 hemoglobin packed pints for one of the best Blood drives ever.

Those associates with the Blood drive were easy identifiable. Volunteers bustled around in crisply starched blue uniforms. Nurses collected the red stuff and donors were seen meandering with white faces.

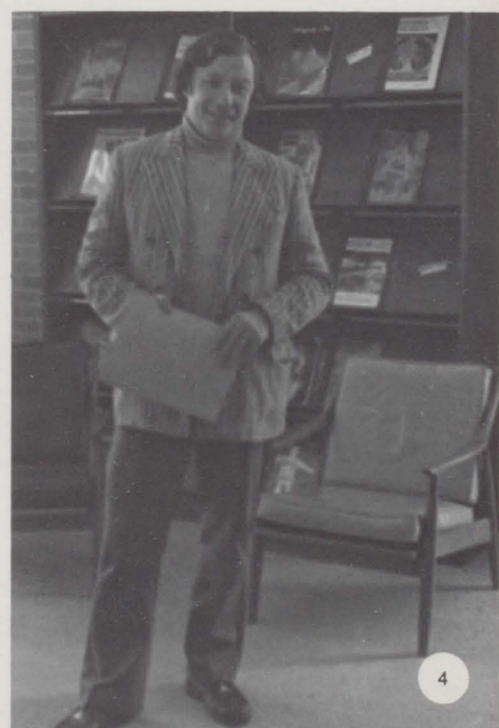

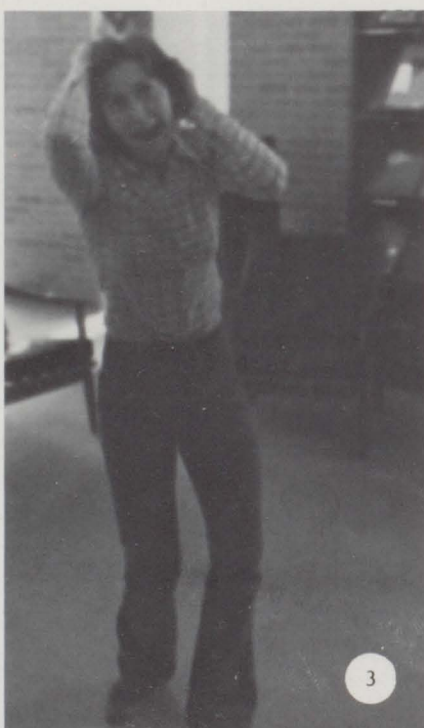

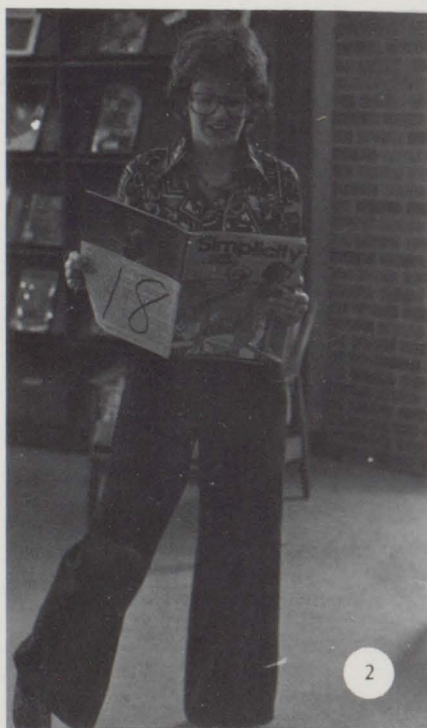

Student Council is — dyn-o-mite

The student awareness brought a new sense of responsibility and unity to the student body at Northern.

The students this year are more involved with our school activities. They are making things more relaxed and suited to the students needs. This is the only level we can work on together!

Life at Northern

Debate is classy!

For the first time in Northern's history, Debate is a class as well as a club. They are in the EML this year and are going to the Novice Debate Preliminaries. They expect to be in the regional debates in January. Although none of the members have debated before, they are pulling an occasional win.

RIGHT: BACK, JVs July Allen, Kim Goodrich, Joni Toles, Debra Fead, Rhonda Streeter, missing Vickie Sloan. In the middle is the coach, Miss Borst. SEATED are the Varsity Debaters, Mark Morden, Janet Jamison, Marilyn Newton and Kris Talley.

Lit Club

Many students who find literature an enjoyable pastime also enjoy Lit Club. On Wednesdays at 7:30, the club meets to discuss plans for outings and put on skits for other members. Although the skits are entertaining, the big attraction is a planned trip to Toronto.

N.H.S.

National Honor Students maintain a 3.0 average and represent the four goals of N.H.S.

These four goals are scholarship, leadership, character, and service.

The N.H.S. sets the honor roll and posts the list with the student's grade point averages.

N.H.S. raises money for a scholarship to St. Clair Community College. This year they have begun a tutoring program.

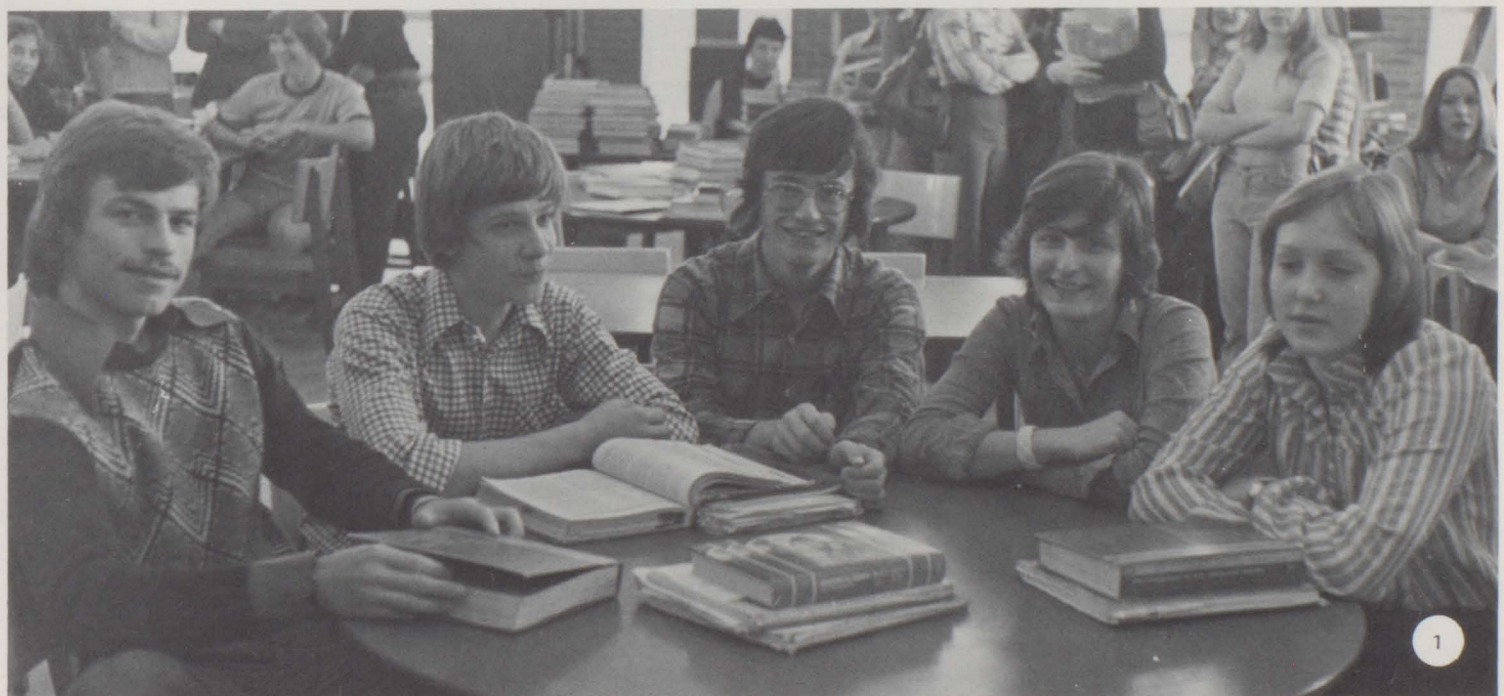

Exchange students are — foreign bodies

Again Port Huron had the privilege of having exchange students from foreign countries. Port Huron Northern School welcomed 1. Finn Rhode, Denmark; Dietrich Bludau, Germany; Chris Buri, Switzerland; Katja Finger, also from Germany; and Ann Folkhammer, Sweden. From talking to the exchange students it seems that they all like the school and the families they are staying with. P.H.N. students are lucky to have had the chance of getting to know people from other countries.

Fitness and fun

GAA stands for the Girls Athletic Association. Under the supervision of Miss Sandra Gentilly, the group meets every Monday night at 6:30--8:00 and they play dodgeball, basketball, etc. The group strives for perfect physical fitness, while having fun! The group also runs our concession stands at football and basketball games.

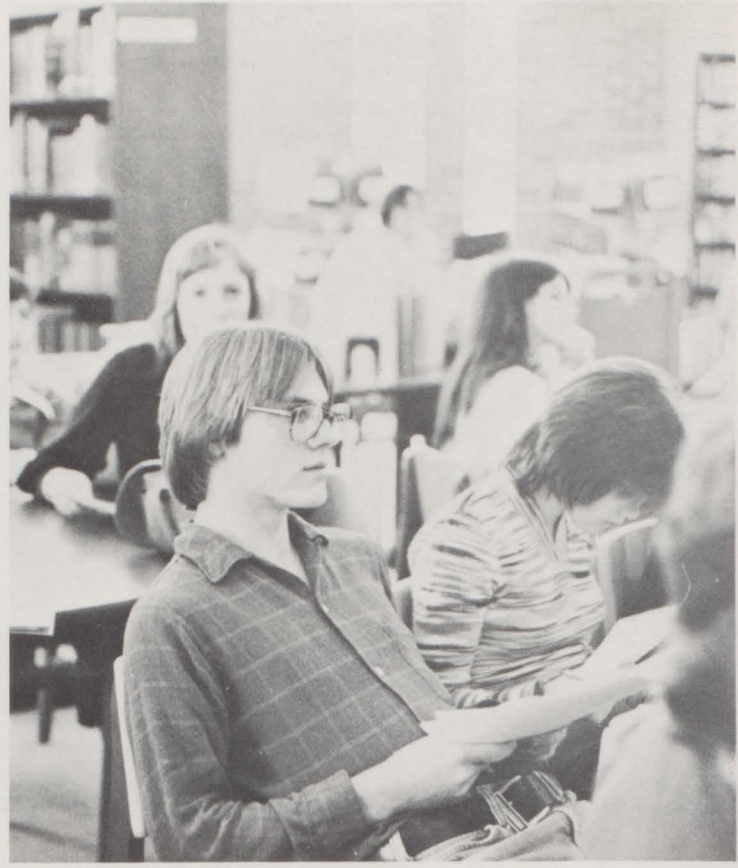

D.E.P.

Delta Epsilon Phi is the German National Honor Society. To be a member of the Delta Epsilon Phi Club you must maintain a 3.6 average in your German class. Also you must be taking a class in German the year in which you are a member. In all your academics you must maintain a 3 point average.

In the past Delta Epsilon Phi has shown a movie about Germany. At the present they have no plans for the year but are ready to help when needed.

1. Herr Norman. 2. Delta Epsilon Phi Members: Mark McNash, Jane Thomas, Terry Meads, Cheryl Vincent, Cheryl Rapp, Kim Brown, Pat McKinley, Brigitte Pancratz, Brenda Smith, Maureen Charbeniau, Rick Meads, Leslie Patzke, Sally Wilson, Howard Henderson, Marilyn Melms, and Josie Rader.

Second Semester Student Council

The second semester Student Council sponsored the Bi-Centennial Parade, the JC recycling program, magazine sale, and Talent Assembly. These boosted the school spirit of Northern students. The President of Student Council second semester is Stan Wilkinson; the Vice-President is Mitch McCalmon. The secretary is Becky Barthel; and the treasurer is Dave Baker.

*A caring
community

a dedicated
School Board*

Under the auspices of a new superintendent, Dr. James Burchyett, The school board has surmounted the tremendous obstacles often placed in its path. In spite of fiscal losses due to state budget deflation, this year's officials managed to maintain the high standards Port Huron Area School District is re-known for.

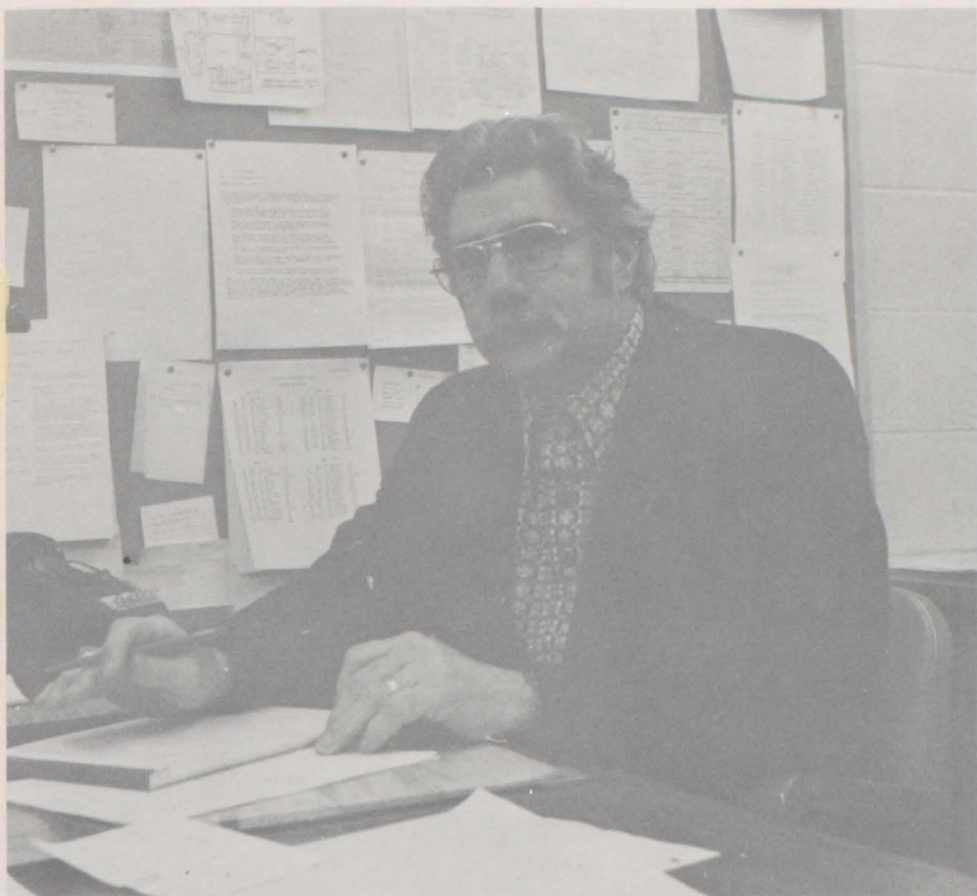

1. Superintendent James Bruchyett, and Mr. Carl Schwedler. 2. Dr. John Cochran, Mr. Elwin Hartwig, Mr. Norman Cristick, and Mrs. William Dinnen. 3. Carl Schwedler and Mr. Roland Johnson. Missing are Mr. Leland Brown, Mrs. Patricia Lewis, and Mrs. Alice McKinnon.

It's the Principal of the thing

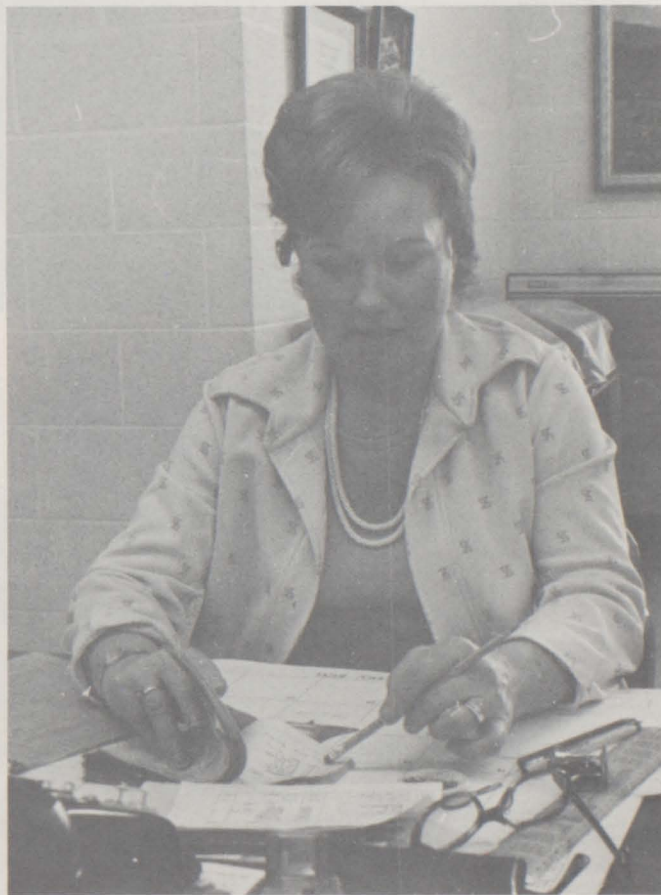

Mr. Overly has been the Principal of Port Huron Northern, since it opened eleven years ago. He survived every kind of craze: Lack of school spirit in the 60's, Student Protest, Hard Rock, Nostalgia, the Ecology movement, and the Uni-sex look. Currently things are at rest and we have mellowed down. Secretly we think Mr. Overly is rejoicing.

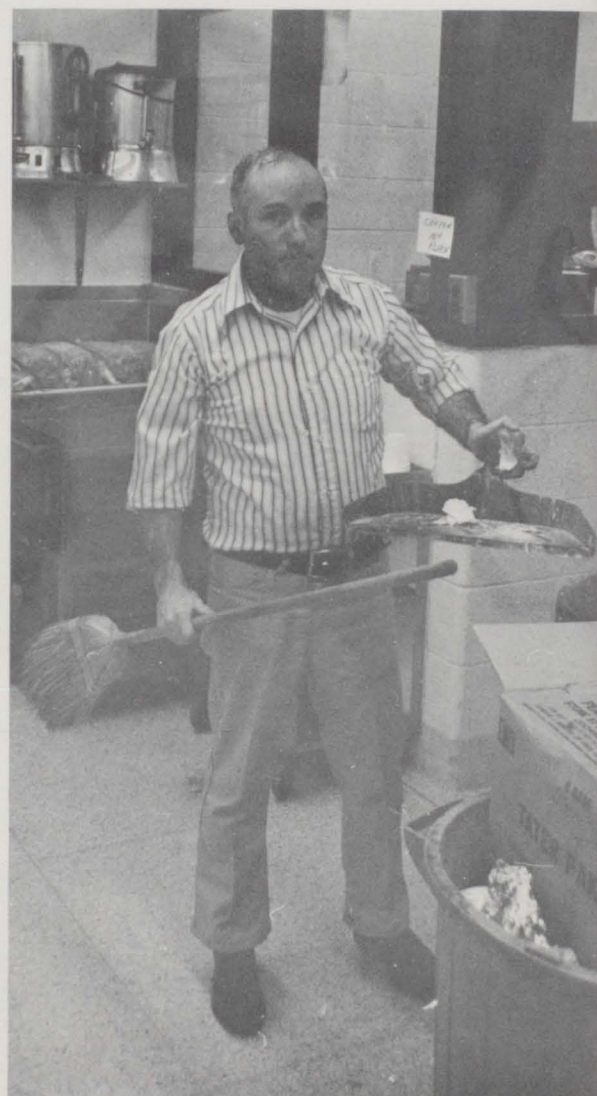

Second in Command.

The job of the assistant principal tends to be behind the scenes. Our Vice-Principal Mr. Raymond Moorehead is responsible for the computer side of scheduling and report cards. He often acts as a go-between for outside businesses that deals with school. He sometimes acts as a disciplinarian--but he is always on our side. He fills a most needed job.

Highest Honors.

Naming the top two scholars in the graduating class is a long standing academic tradition. It is the highest academic honor given. Jeanine Bowman with the highest grade point average in the Senior class has been named Valedictorian. At graduation ceremonies she will give the farewell address to fellow students. The second highest grade point of this year was Kristi Stoddard, she will give the welcoming address at the commencement exercises.

Molecules to man and . . . beyond

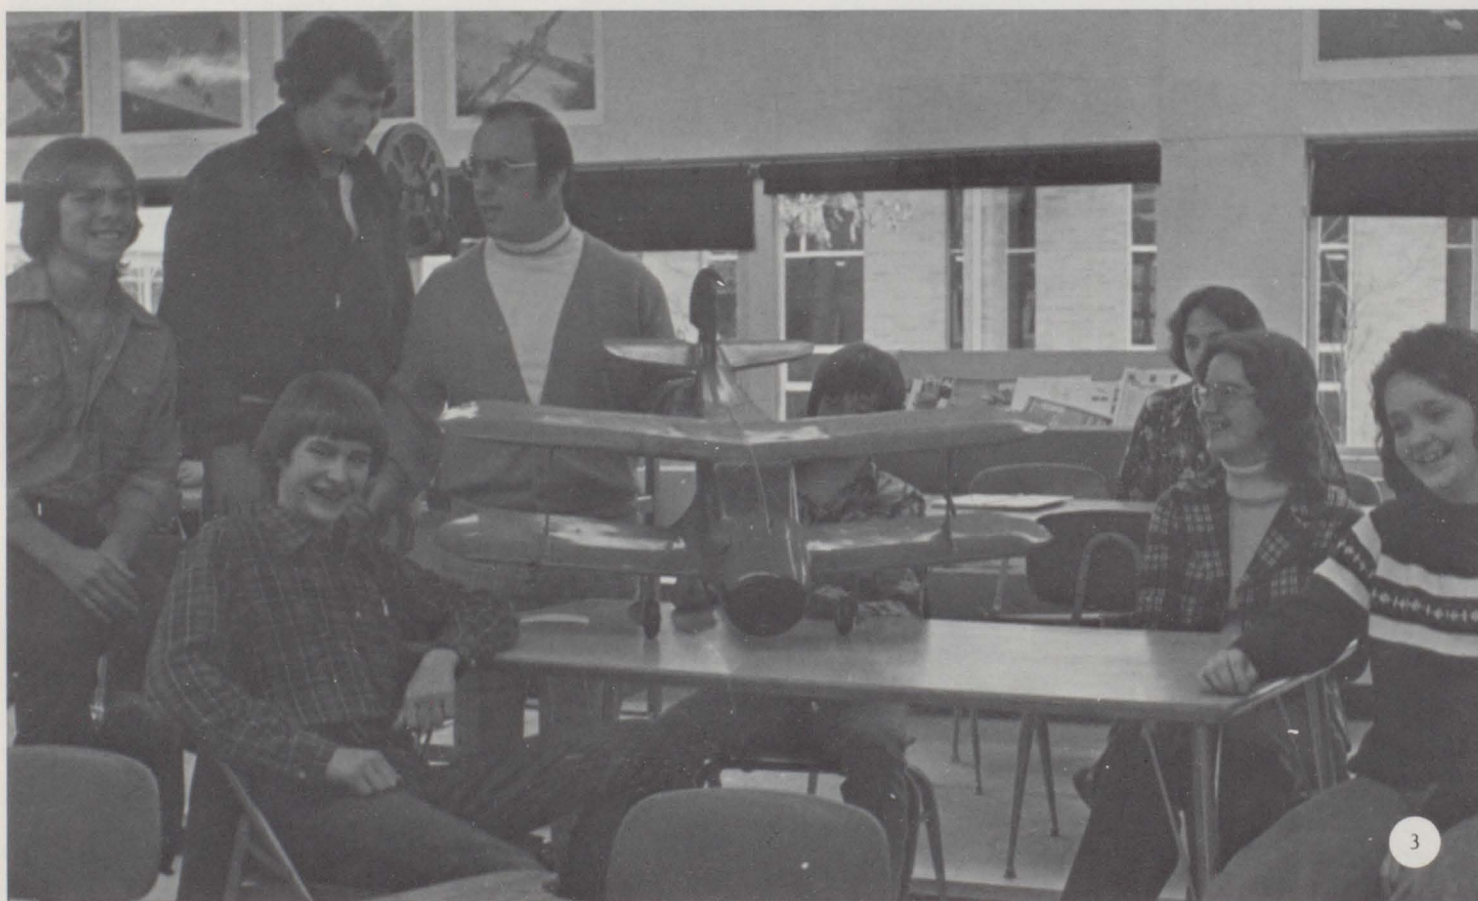

This fall Photography was added to the curriculum and is adding a special flash to the Science Department. Not only does it develop an occupational skill, but it becomes a new medium to express thoughts creatively.

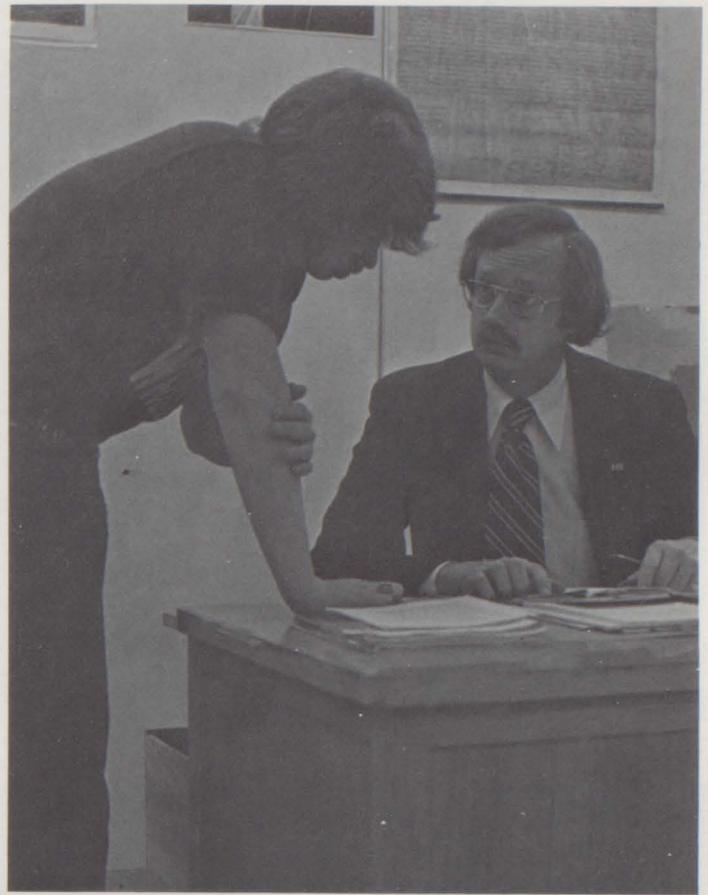

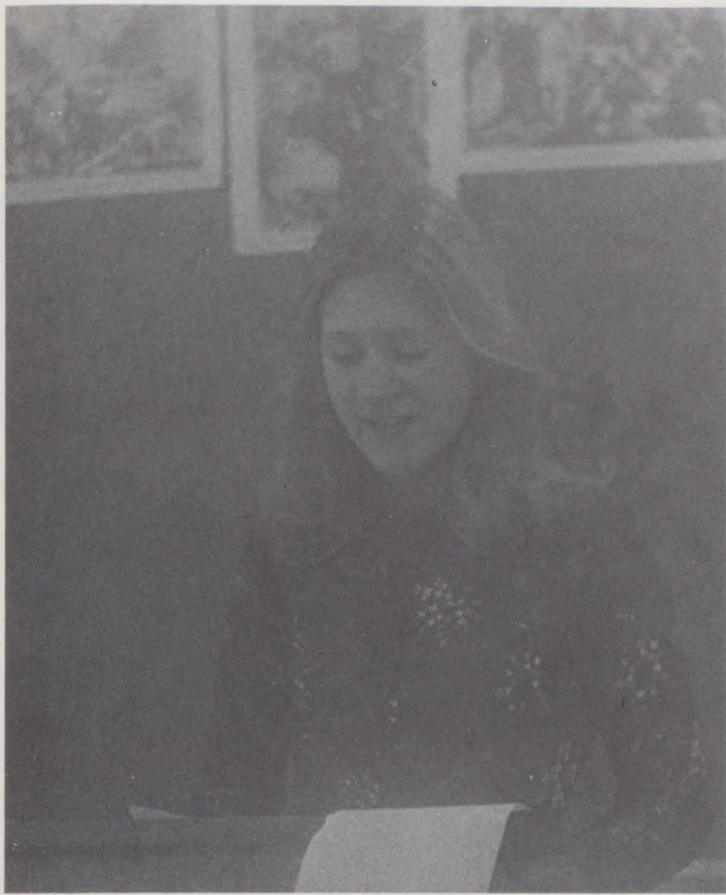

Science classes abound in variety. Aerospace, Health and Earth Science, Chemistry, Futuristics, Biology, Phtoography and Physics combine to provide the student body with different areas from which to choose.

Reflections from the past

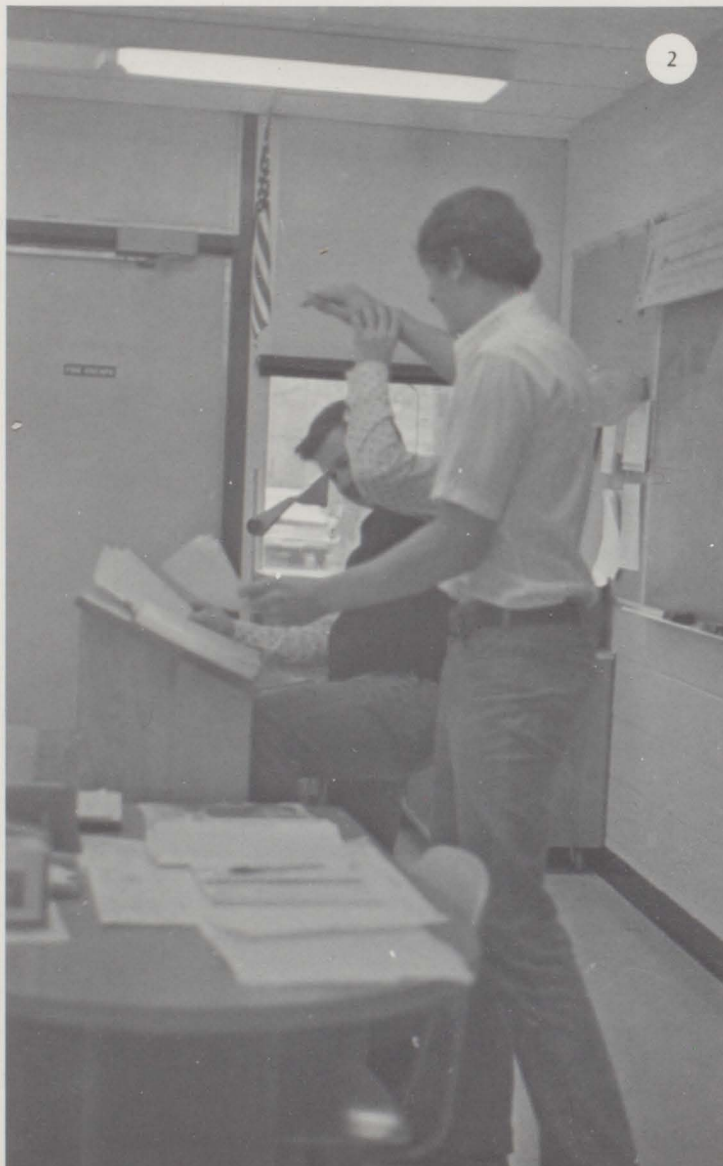

Social Studies combines the best of all eras. Futuristics, a relatively new program, pushes the time machine ahead, planning for the near and distant future. In contrast, this year the Bicentennial History class turns to the time when great Americans made our country what it is today. Economics class offers a direct approach to the social areas presently affected by fluctuating economic trends.

The Math Department consists of dedicated teachers who teach the fundamentals of Mathematics...

Art courses offer something for everyone. Dabblers and promising professional artists alike can be found in classes that range from Art I & II drawing and painting, ceramics and sculpturing.

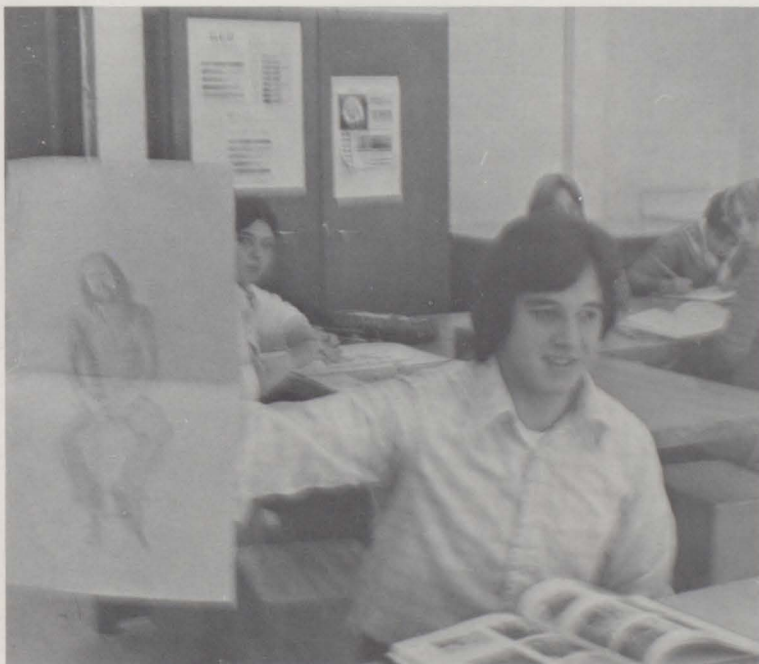

The return of Mrs. LaBeau combined with the many faceted talents of Mr. Taggart marked the start of another progressive year in the Art department.

Music Bicentennial Style

A Cappella, Chorale, Freshman Choir and Mr. Dietrick's Music Appreciation class are very busy. Aside from A Cappella making a Bicentennial record this year, there are rumors of Chorale going to London, England. The kids this year are getting a real taste of music "1976" style.

*More than
just a

Co-op is a relatively new program at Northern. In spite of its short existence, it has proven itself instrumental in learning an occupation for many students. Not only does it provides employment for worthy applicants, it supplies the trainee with more insight into the working world. Co-op changes a job into more than just a job.

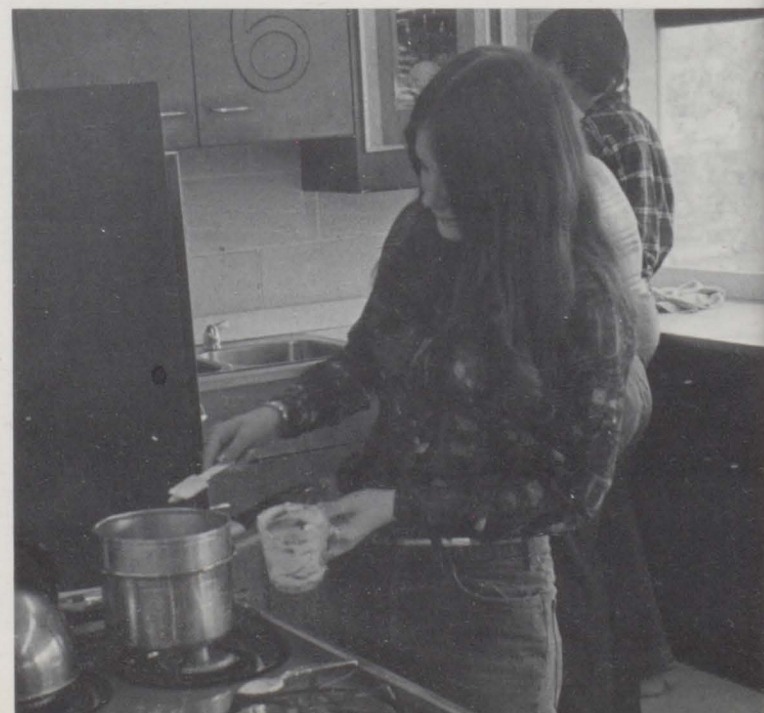

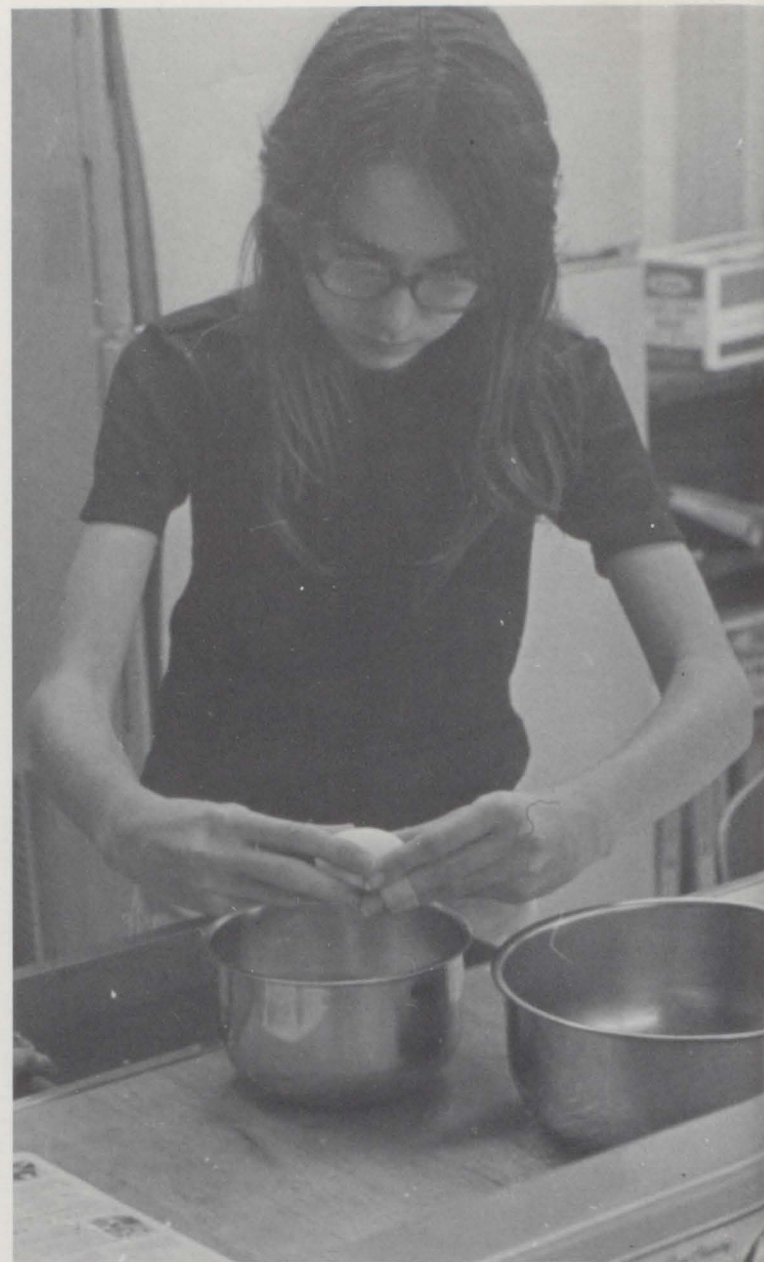

The home of the homemakers

You almost have to throw "a heap of this in a bowl of that" to get your cakes done, kitchens cleaned and yourself cleaned before the fifty-five minutes is over. Through the ruckus and confusion, the students are gaining experience for cooking and caring for a family and home of their own. Home and Family Living and Child Development give the students insight to the responsibilities of marriage and raising a family.

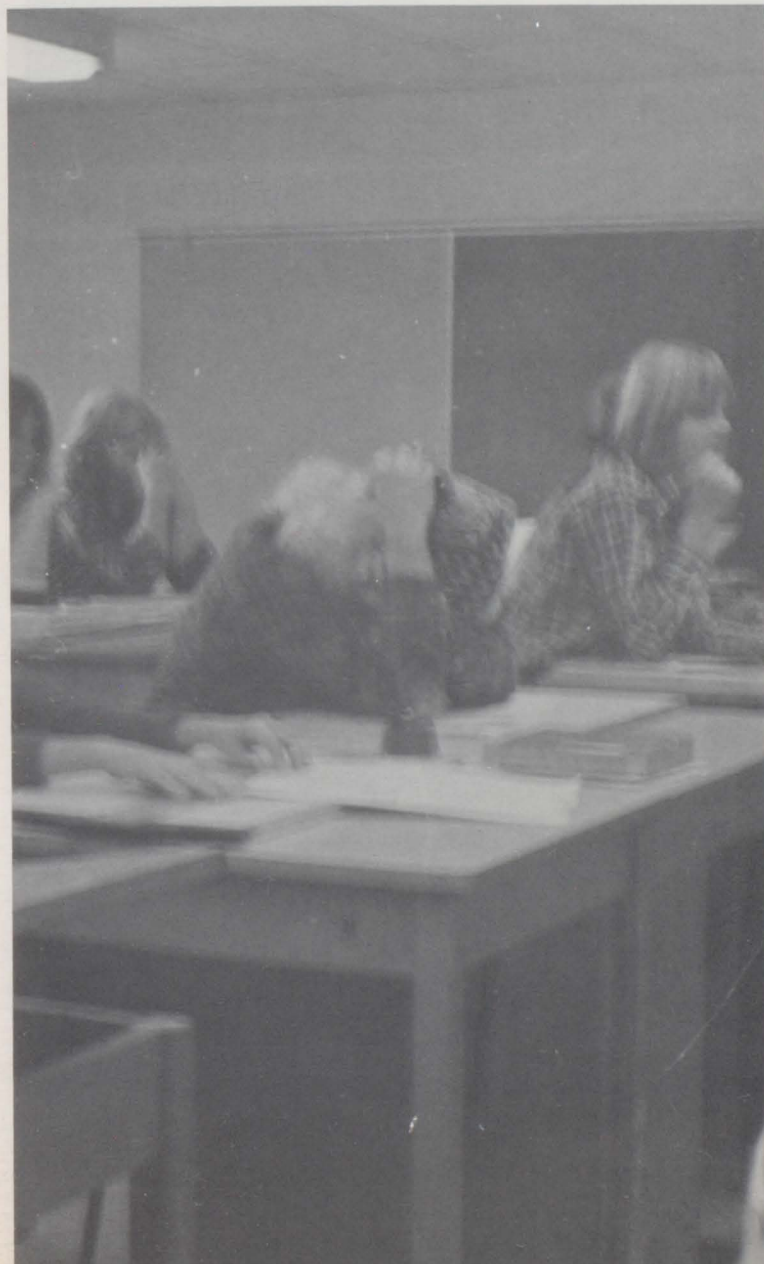

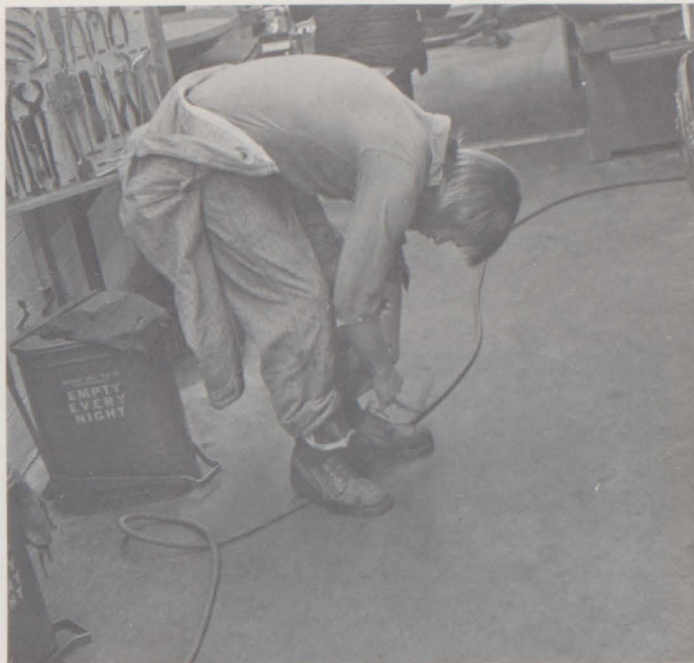

*Industrial Arts
develops skillful
and creative students*

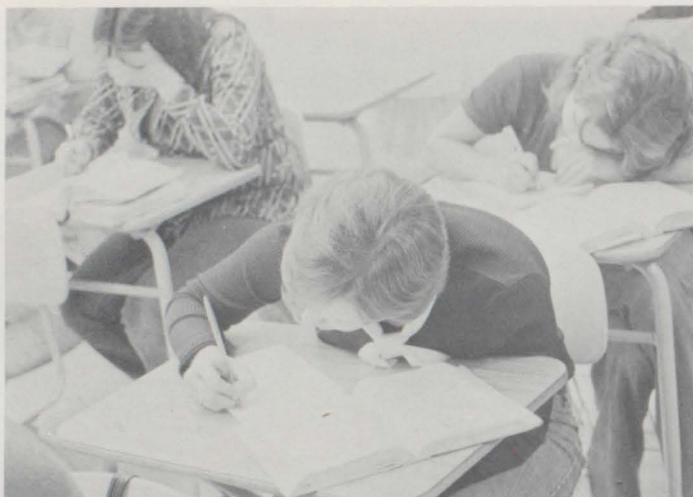

If you saw, draw, hammer, get dirty, and design, then you are what is happening in Northern's industrial Arts Classes.

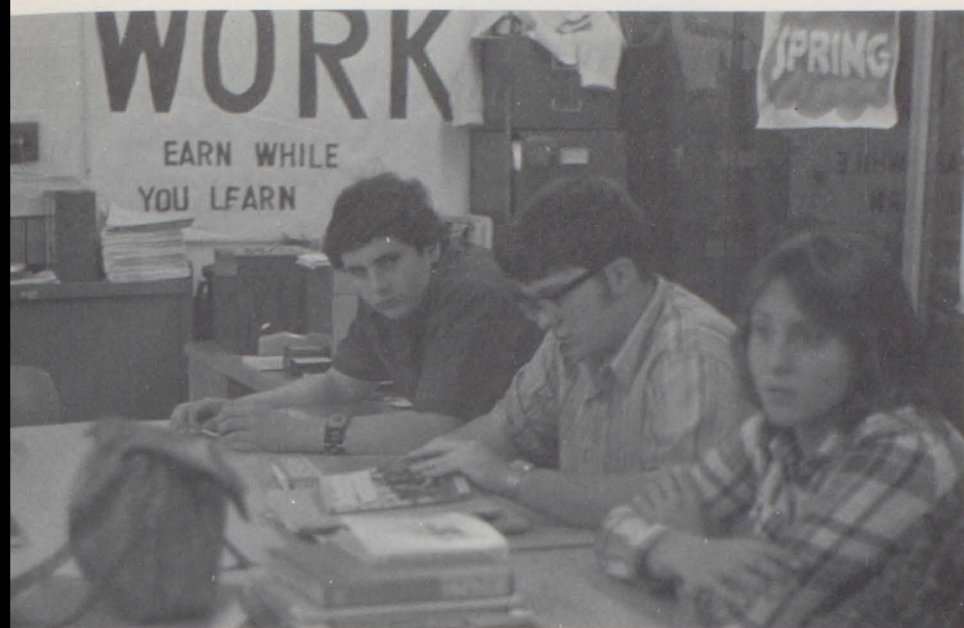

The courses in Industrial Arts are for both beginners and the more advanced.

General shop is required first. In general shop the student experiences a semester of woodworking and a semester working in metals. After general shop, he may go on to the opened area of hobbies, trade or a job skill.

Practice makes perfect

The kids in the business classes this year know that statement by heart. "Practice, practice!" exclaims Mr. Johnson. Timing makes the practices worthwhile though when the students in typing or shorthand increase their speed.

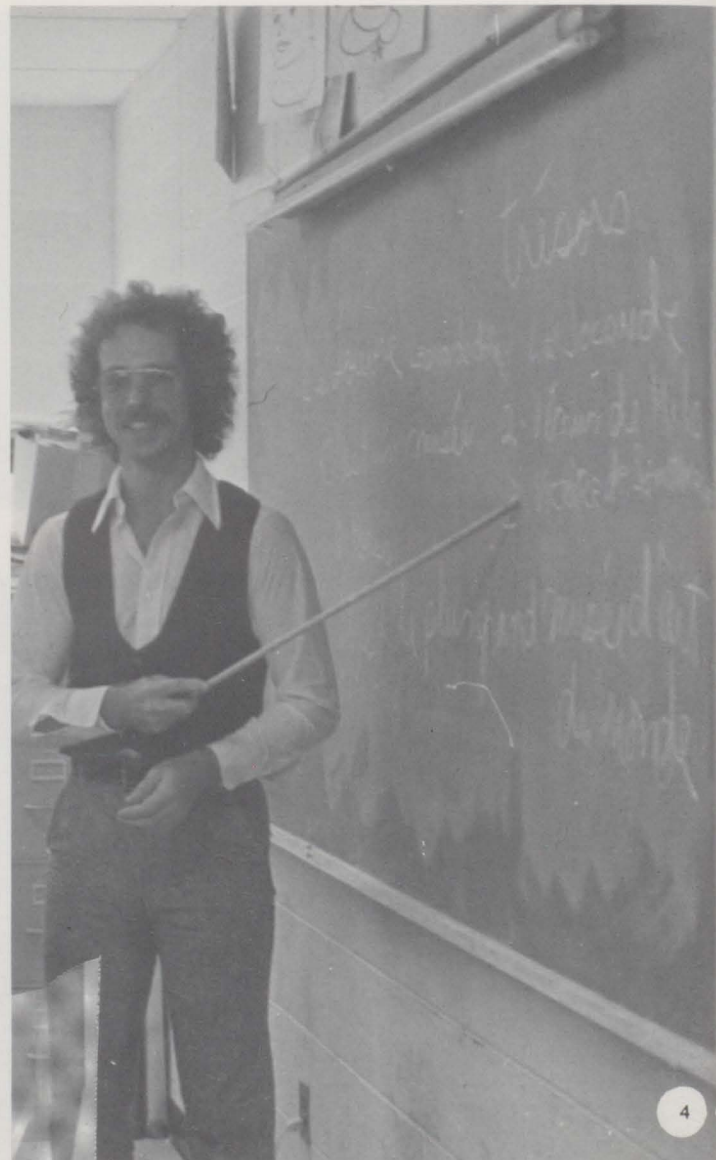

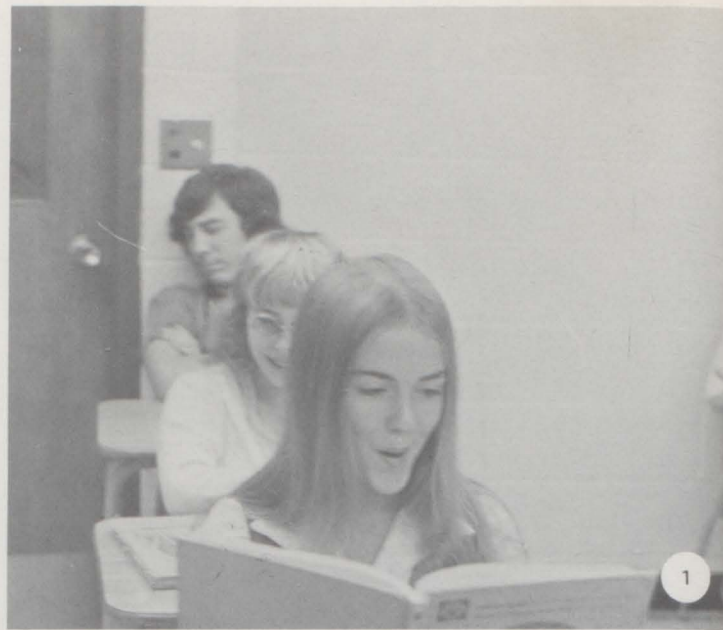

Miss Knapp holds a school paper made by students in her Business English classes. (bottom)

Gold incognito

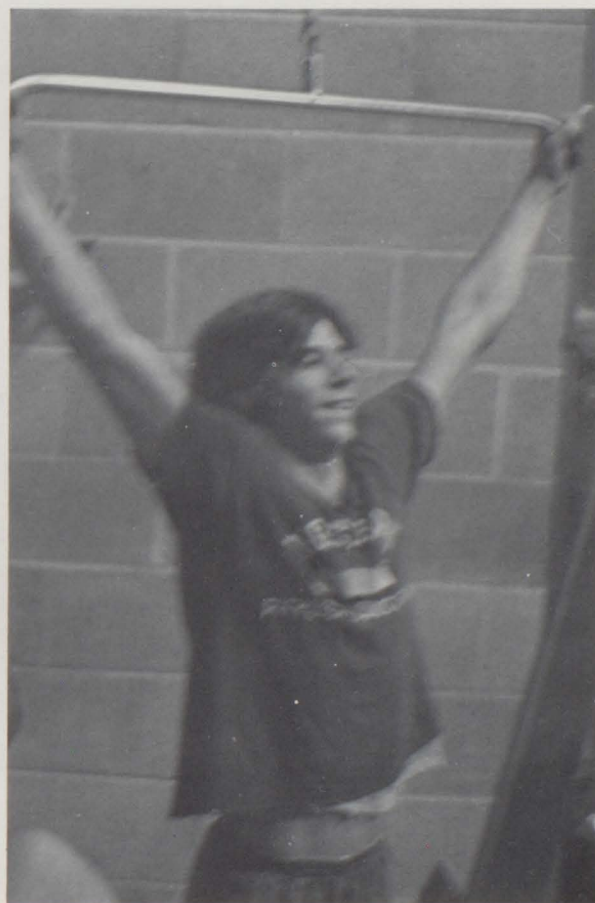

The media center has everything, from something as strange as absurd literature to the commonplace dictionary. The core of this veritable gold mine of sources consists of Mrs. Wypytch, Mrs. Jones and Mrs. Wismer. Thanks to them the library is really a central part of Northern.

Weights and agility strengthens men

The class, Weights and Agility, gives boys in the 10th through 12th grade an opportunity to grow physically strong. The emphasis on healthy bodies creates a good self-concept. Great thanks is given to the boy's physical education teachers, Mr. Haas, Mr. Weymouth, Mr. Bates, Mr. Dickey and (missing) Mr. Armstrong.

New!

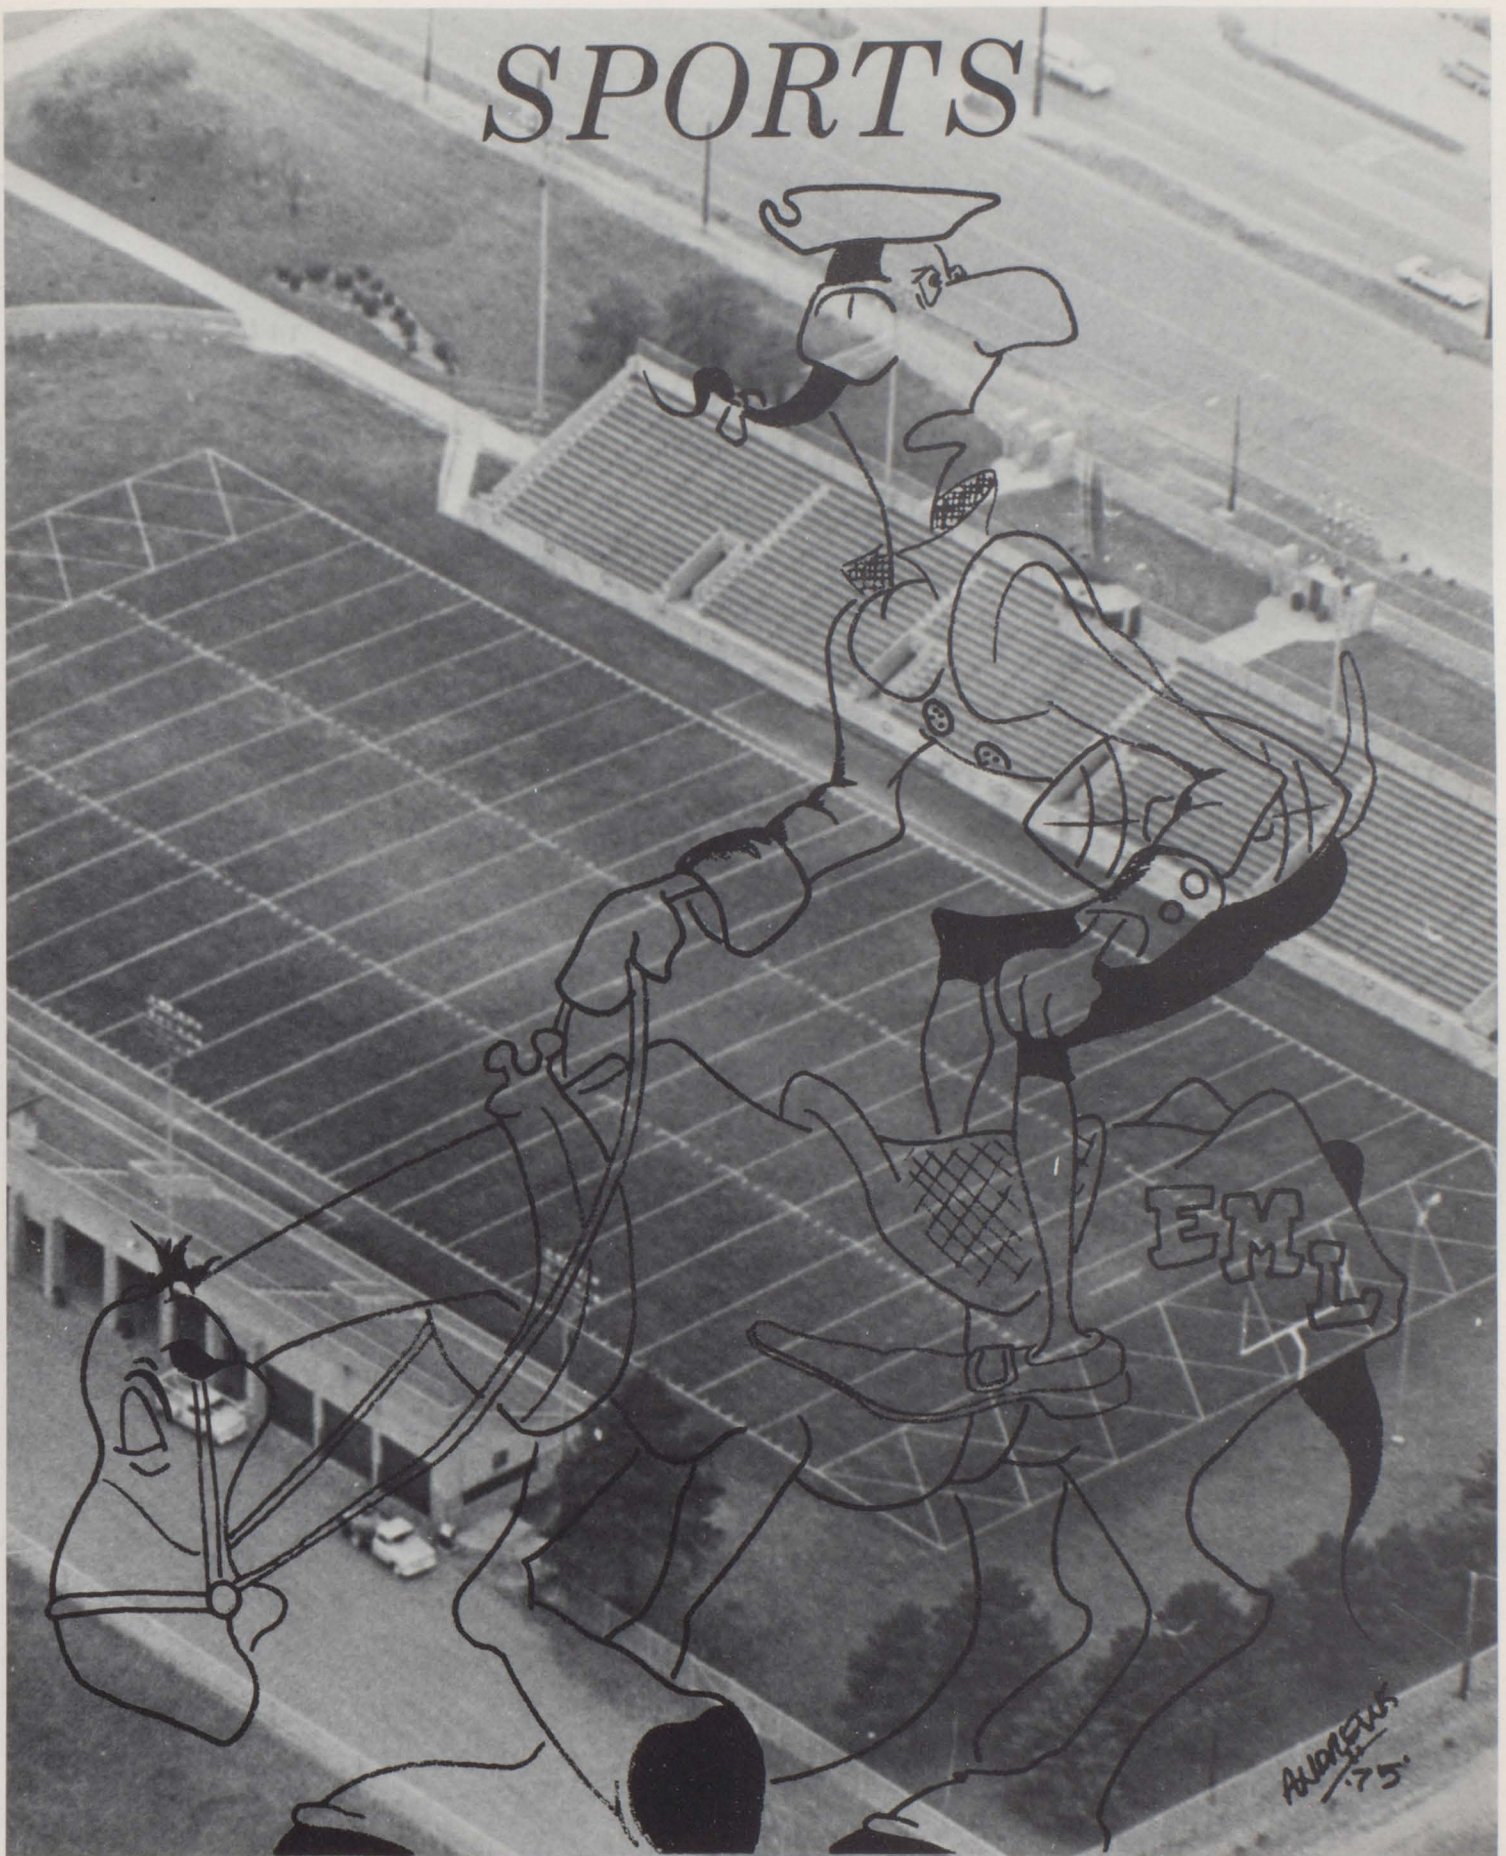

Etc. is a new one semester Class this year. It was introduced by Mrs. Goldsworthy's Creative Writing Class. They hope to publish a book every Spring. Writings come from the student body at large. Everybody is urged to contribute to the book even if they aren't in a creative writing class.

The contents include poems, or stories, compositions, novels, and many other interesting things!

Along with Etc. there are two other new classes for the '75-'76 school year, the bicentennial class and photography.

Fantastic —

Team effort by the Varsity football team led them to an EML title with a record of 6 wins and 1 loss. Winning their first seven games, the Huskies seemed undefeatable. The Varsity players knew it took not just ability but determination and pride. However, all good things must come to an end. In our eighth game Grosse Pointe South took command and won 14-6.

The Huskies won 7 of 9 games. This indicates a first rate team. They proved it by sharing the EML title with GPS and Mt. Clemens. Although we lost our last two games, PHN never lost team spirit.

The Huskies came up with 192 points to the oppositions' 97. In league games, the team out scored all teams by 14 points, except L'Anse Creuse North when they slipped by 15-12 and when the lost to GPS 14-6.

In the passing and rushing departments, the Varsity came out on top. The Huskies rushed for 2063 yards, 1138 belonging to Ed Brennan. The Defense held opponents to 907 yards. The Varsity also passed for 357 yards although their opponents passed for 772 yards. Thirteen of those passes were intercepted. All together the Huskies yardage total was almost double that of their opponents 2420-1679.

Teamwork results in city championship

GRASPING the city championship, the JV Huskie team had an overall record of 5-4. Coached by Pete Woods, they have a league record of 3 wins and 4 losses. The Huskies gained shut outs against L'Anse Creuse N. and Marysville. They also beat Port Huron 42-24.

The seasons results were close but the Huskies held their opponents to 149 points while they got 152 points.

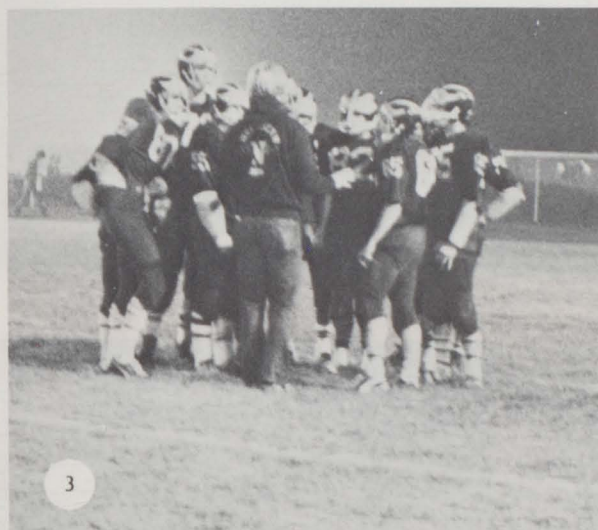

JV builds for next year

1. 1ST ROW: Coughenour, O'Connor, Castello, Armstrong, Rock, Lorts, Jones, Dodea, Diaz. 2ND ROW: Coach Dalkhe, Renno, Kidd, Schwedler, Marsack, Evans, Minor, Dresser, Studtaker, Coach Woods. 3RD ROW: Shagena, Abou-Ganim, McTevia, Lanchard, Miller, Wine, Moody, Mc Lellan, Howard, Schultz, Ellis, Lee. 2. Varsity Football players use all kinds of devices to cheer the JV football team.

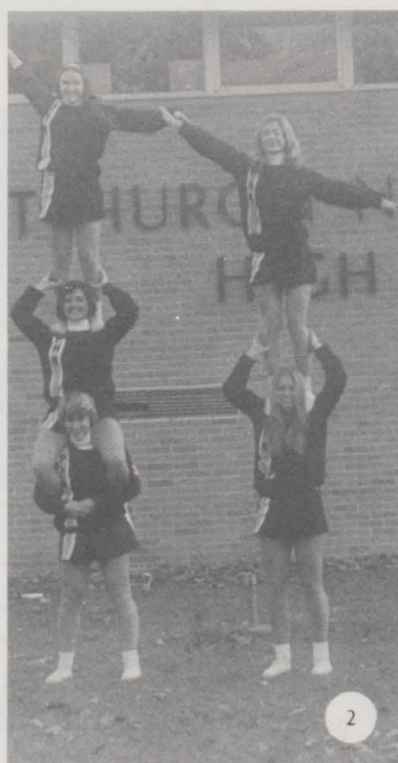

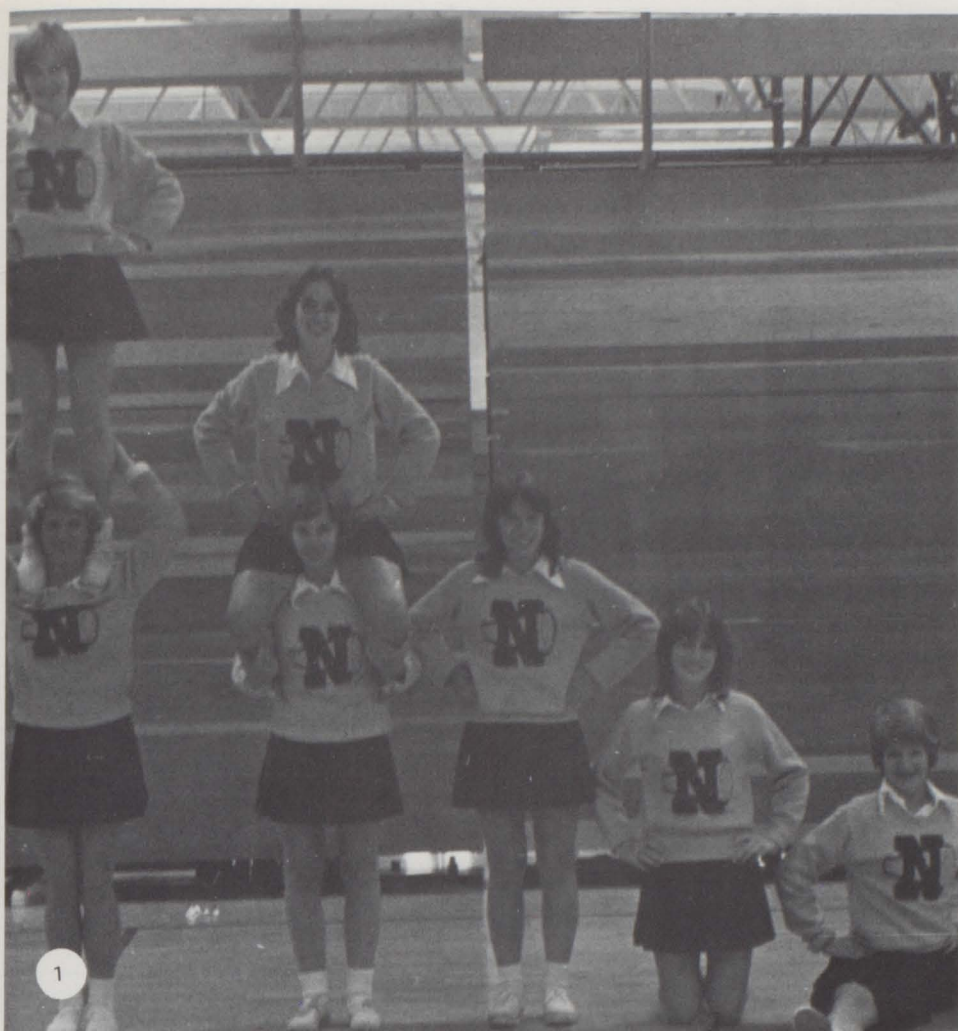

1, JV Huskies get into their rowdy huddle, 2, Paul Moody and Steve Miller lead the way to the locker room after practice, 3, Coach Dahlke talks to his "men" during time out, 4, The Huskies run wild as they come out of the locker room with a 26-18 lead, 5, Tony Abou-Ganim (66) and Rob McLellan (22) cheer along with their teammates for a victory.

School spirit has bolstered the Northern Huskies. Some of the credit goes to our Varsity Cheerleaders. These eight girls have the spirit and confidence needed to back our Huskies. They helped get the whole student body involved in supporting our team. Seven completely filled bus loads of students went to the game at Stevenson High. This way the cheerleaders show their enthusiasm and dedication.

Cheerleaders

Cheerleading is a new experience for most of the Junior Varsity squad. The cheerleading squad learned the importance of getting the entire student body interested in the Northern Huskies J.V. teams. The J.V.'s learned a lot just by having the responsibility of representing Northern High School, and by having to work with and use team spirit. They backed the J.V. Football and Basketball teams with spirit and confidence.

Blue ties Gold

Frosh Blue tied the Gold team this year in their first game, starting off a great season. They have a 7-1-1 record.

Their most outstanding game was played against Mt. Clemens. The offensive team built up a lead, then the second string was put in to hold for a 34-6 win.

That's a question that all the birdie swatters asked. Even though they swung with their eyes closed, the results were good. Their coach, Mr. McLeod stayed with them through their second season.

1. FRONT: Janet Frank, Sandy Weston, Carolyn Blatt, Martha Curti, Betsy McFadden, Carol Haynes. BACK: Linda Meade, Cheryl Vincent, Chris Pepper, Jane Bland, Sue Hopkins, Mr. McLeod, Chris Bishop, Nancy Vigrass, Brenda Ptaszynski, Lanie Boukamp, Sandi Hayden.

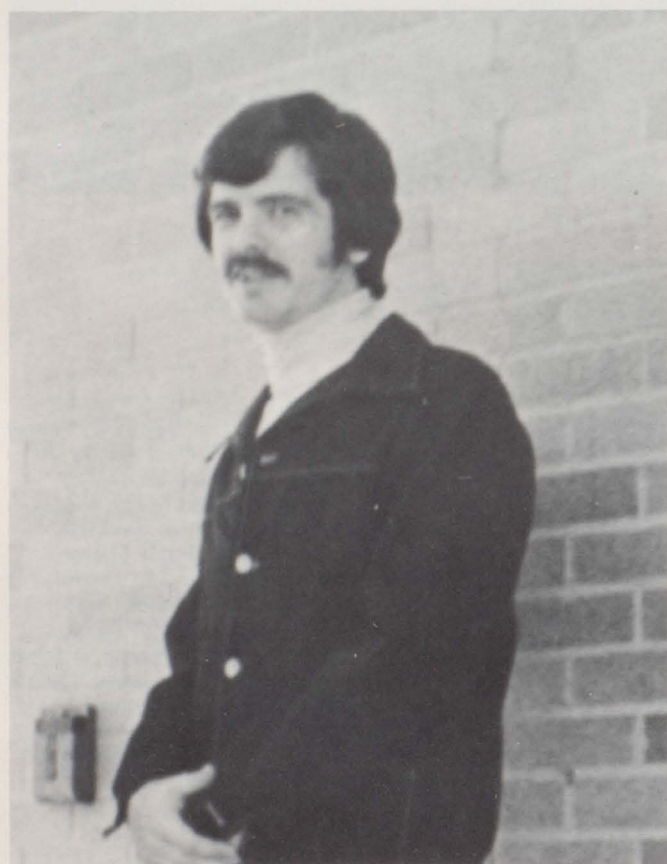

The girls varsity volleyball players look most promising. So far they haven't lost a match and hope to keep up the good work. The team works well together in coordinating their bumps, sets, and spikes.

The Junior Varsity Volleyball team is doing great. Although most of the matches have gone into three games, the J.V. team always pulls it out in the third game.

Varsity Basketball

Yes, I am the victim of Basketball Jones. Ever since I was a little baby, I'd always be dribbling. In fact, I was the baddest dribbler in the whole neighborhood; then one day my momma bought me a basketball. And, I loved that basketball. I took it with me everywhere I went. That basketball was like a basketball to me. I even put that basketball underneath my pillow, maybe that's why I can't sleep at night. I need help, people, I need someone to stand beside me. I need someone to set a pitfall for me at the free-throw line of life. Someone I can pass to. Someone to hit the open man on the given goal, and not end upon the popcorn machine. So cheerleaders--help out! Sing it out; like you're proud! Everyone sing it out! Mark Kearne, you can help! Mr. Hanton! Please, Coach! We need you're help! No one can stop it, cuz I've got a Basketball Jones! The whole Northern High School has a Basketball Jones. But that's ok; cuz we know it's right!

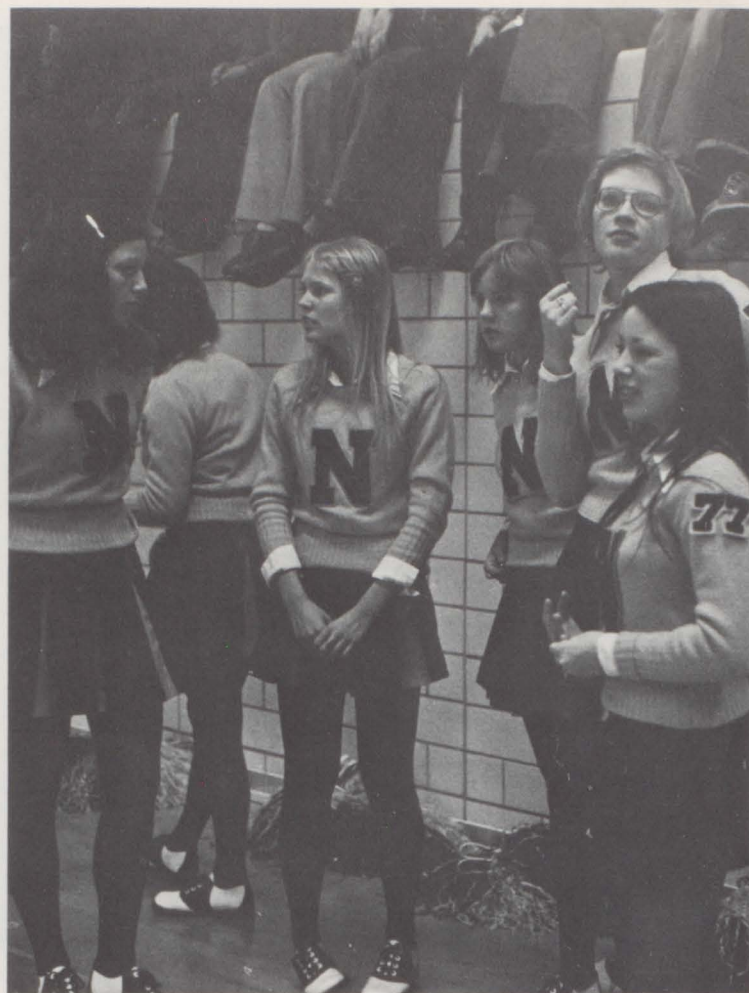

1. Varsity Basketball: FRONT: Jerry Conger, Marv Shagena, Jesse Gunter, Mark Cougehenour, Mike Renno, Larry Gunter, Kirk Schmidt. BACK: Pat Conlen, Rick Meads, Mark Conger, Coach Hanton, Mark Kearns, Brian Clark, Brad Bates. Missing; Bob Schmidt. 2. Bob Schmidt bounces his ways through the game. 3. Mike Renno guards with his life. 4. Mark Kearns shoots a perfect basket. 5. Brad Bates takes his time at the freethrow line.

"Do a little dance"

The Drill team members performed very well this year. They stayed late after school and made up new routines. Which they performed at football and basketball games.

3. LEFT TO RIGHT; Cathy Scandilto, Denice Beauvais, Shelly Mix, Terry Smith, Sue Peacock, Maureen Leahy, Elise Jackson, Sandy Harvey, Wendy Wilson, Deb Tallmadge, Mary Napolitan. Missing; Leanne Lane, Sue Kemp Mary Hagen.

Frosh basketball

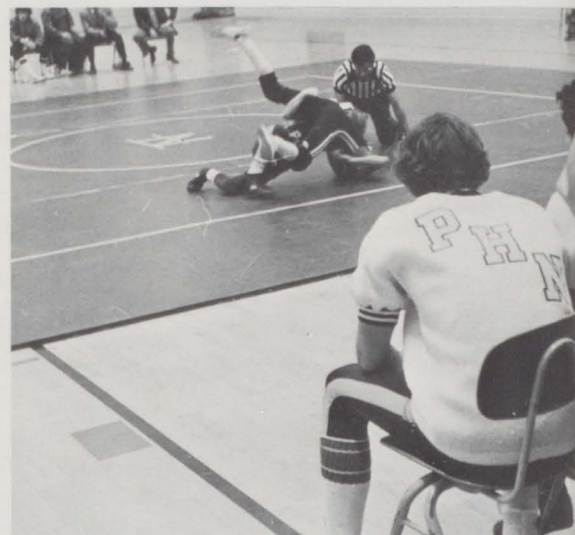

The Frosh basketball team did exceptionally well this year with a final score of 14 wins, 3 losses. They had a special attraction this year. For the first time, they had their own cheerleaders. Their coach Mr. Haas, has taught them sportsmanship, how to lose as well as win. The freshmen learned that winning is more fun.

1. FRONT: D. Camphausen, R. Moore, K. Collier, S. Barker, D. Hayman, D. Deloy, G. Hummell, R. Ingram. BACK: Coach Dahlke, C. Tisdell, D. Keith, J. Zmolik, J. McLean, S. MacReady, S. Boyd, B. Bates, Coach Haas.

The Young And The Wrestlers

Varsity Wrestling has gone on another exiting season. It has become such a competitive sport that many more spectators come to the matches. The Mat Maids were a great inspiration to the wrestlers. They helped them to win their matches.

1. Laura Mordis, Sandy Cox, and Sue Frizzle cheer on the wrestlers during the matches. 2. Mat Maids: FRONT; Karen Havens, Tammy Peterson, Sue Frizzle, and Louise Hyde. BACK; Laura Mordis, Janet Clark, Coach Baker, Kim Anderson, and Sandy Cox.

*Track stars
are always
on the run.*

Every night the trackmen ran through town to get in shape. All this came in handy when it came to the meets and the runners raced around the track to victory again this year.

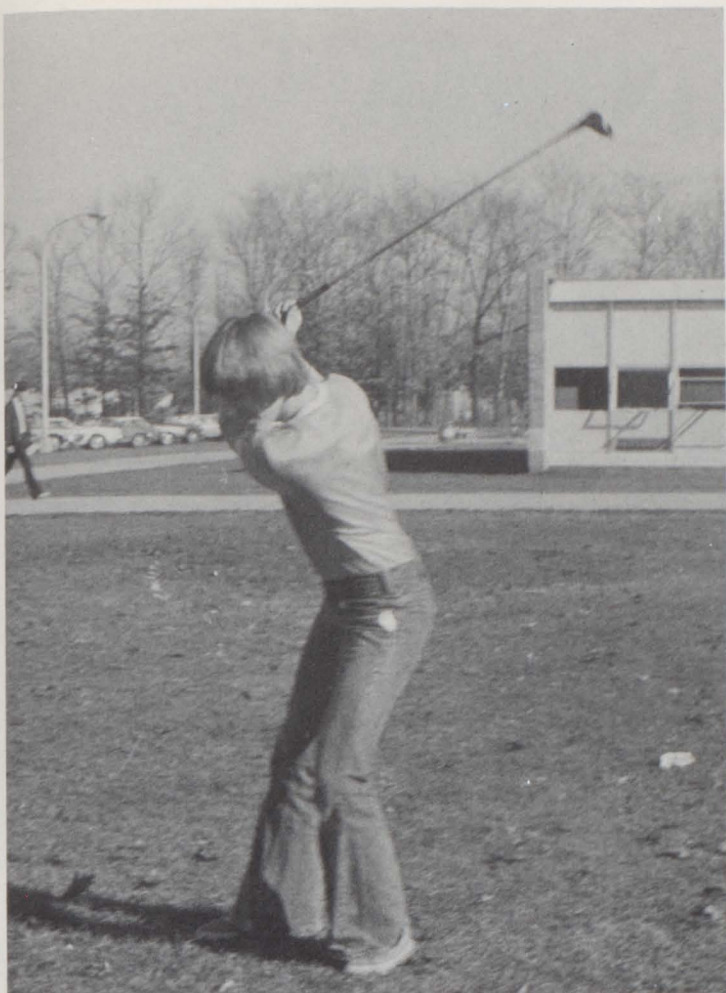

Huskies cross country

Kirk Heier, Captain of the Cross Country team led them to an 8-5 record placing them fourth in the EML. Heier and the team placed second in the city meets. Congratulations.

Pars, birdies, and eagles

The Golf team did a fine job this year. Many of the players got their names in the paper. Mark Harju got his name in for having a low score of 41. Joel Peattie and Rick Leville got theirs in for being great golfers. Way to swing guys.

Girls Softball — Sugar and Spice

and everything nice, that's what girls are made of? Girls Softball smashed their way onto the field last season and amazed the many viewers with their unexpected talents. Foul balls and strike outs didn't effect the team for they just brushed them under the plate as they got up to bat. The girls struck their way to the top as they slid safely home as the City Champs.

1. TOP: Judy Pincomb, Vicky Hustek, Theress Durand, Kathy Debein, Mr. Miller, Theresa Gardocki, Rene Norton, Karen Tate, Lori Shaw, Cathy Cummerlato. BOTTOM: Marie Belkiewitz, Pearl Pincomb, Chris Berg, Ellen Peters, Lori Schindler.

Tennis anyone?

The girls tennis team did the same as always ... a winning streak seems to stick to them. The Varsity tied for first in the regionals, second in the EML.

The star racketeer was Heather Mac Taggart who went to the state finals but was defeated. She only lost one game during her season. Congratulations to the team and good luck next year.

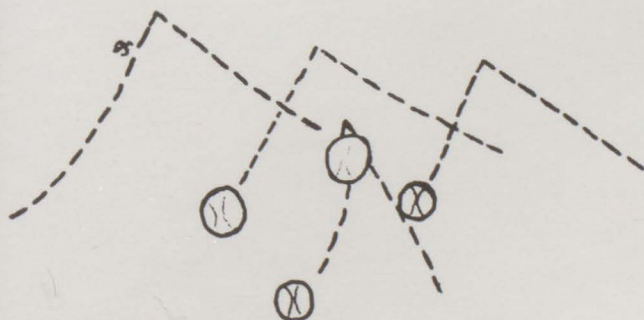

M. HUGHES.

Boys' tennis?

Don't be confused! The racket is not the boy's tennis team. The boys were not available for a picture at the time.

The freshman class of '79 as Mr. Emlaw says, "is one of the better freshman classes." This group of kids are doing great in attendance with very little skipping. Their grade dean, counsler and secretary are very proud and happy to be with them for these next four years. As we all know the freshman have alot of spirit. We could tell when the class of '79 came in second place for the Mardi Gras wall, no other freshman class has done that. Congradulations from the yearbook staff.

The Class of '78 finds itself in a comfortable position. No longer the youngest and not having the pressures of seniority, they are breezing through their sophomore year. Although the building of the Mardi Gras wall caused them recurring problems reminiscent of freshman year, they made a surprisingly strong showing in the games. They tied Seniors for first place.

The sophomores have shown some potential Student Council

Academically these sophomores are taking the lead; Kris Talley, Susan Weiner, Carl Schweller, Chris Pepper, with others in the class close behind. With such an exciting year behind them the sophomores are anticipating a great Junior year.

1. "SMILE" Lori Schindler, "you're on NORTHERN camera!" 2. The winning speech of our new "JUNIOR" Student Council President Stan (the man) Wilkinson. 3. Margaret Albert enjoys the class that all Juniors do . . . "American History!"

1. Debby Anderson and Chris Basset rehearse their version of "Romeanna and Juliette?" 2. Roger Walker eyes something more interesting than his work, for sure. 3. Hey there, Kevin O'Donnell "you sexy thing!" 4. "Ay!" says Larry Gunter alias Dynamo-Kid.

Remember when ...

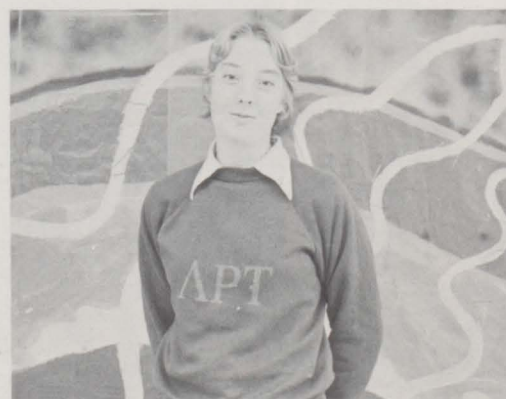

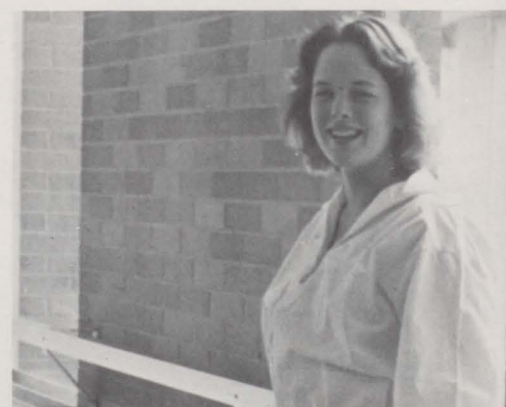

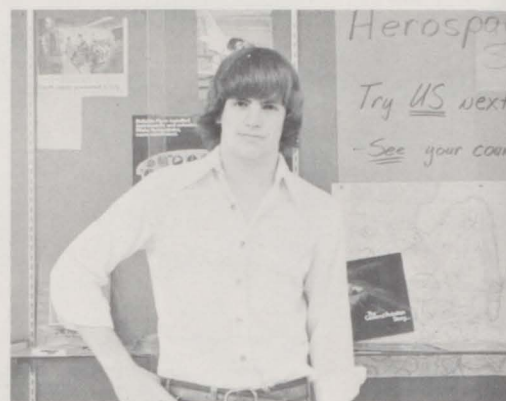

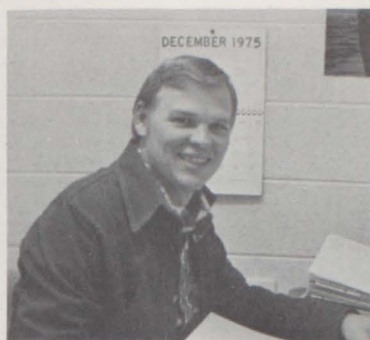

STUDENT COUNCIL

The Bicentennial Student Government

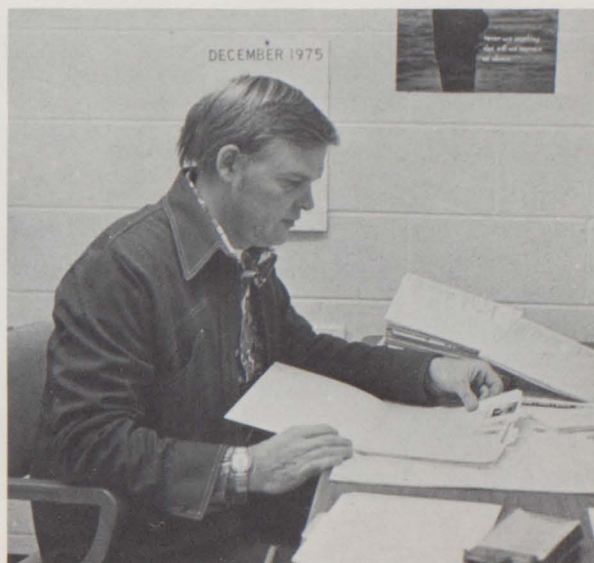

The class of '76' has had a very hard working Senior Steering committee this past year. Among the committee's usual decisions, like picking a scene for our wall during Mardi Gras, they have also picked a class motto, flower, song, and colors. They chose the location of the Senior prom and how to raise money for it. The committee came up with the candy sale. Through all of these activities, they have made this Bicentennial Class a celebration.

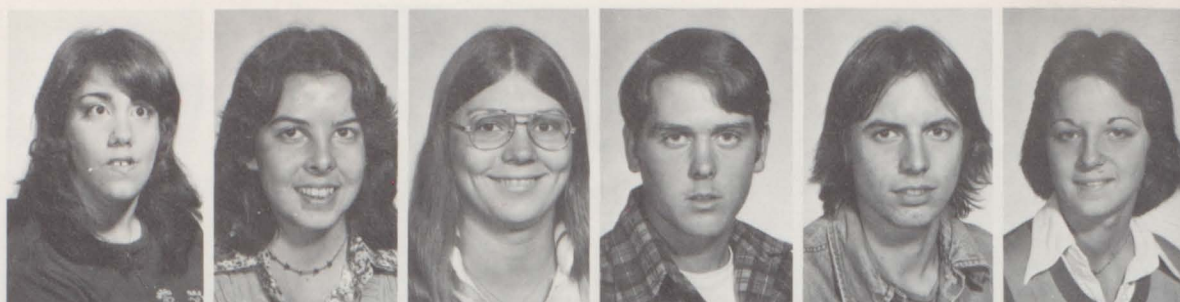

HELP!

The Senior grade center staff members have been greatly appreciated these past four years. Both for their leadership and their handling of the day-to-day chores that go along with keeping track of more than 400 people. The class of '76 wishes to thank: Miss Austin, grade dean; Mr. Matson, counselor; and Mrs. Vigras, secretary, for helping us through the last four years.

*Everything you've wanted
in a yearbook —
and less!*

The time and effort that goes into the production of a yearbook just can not be measured.

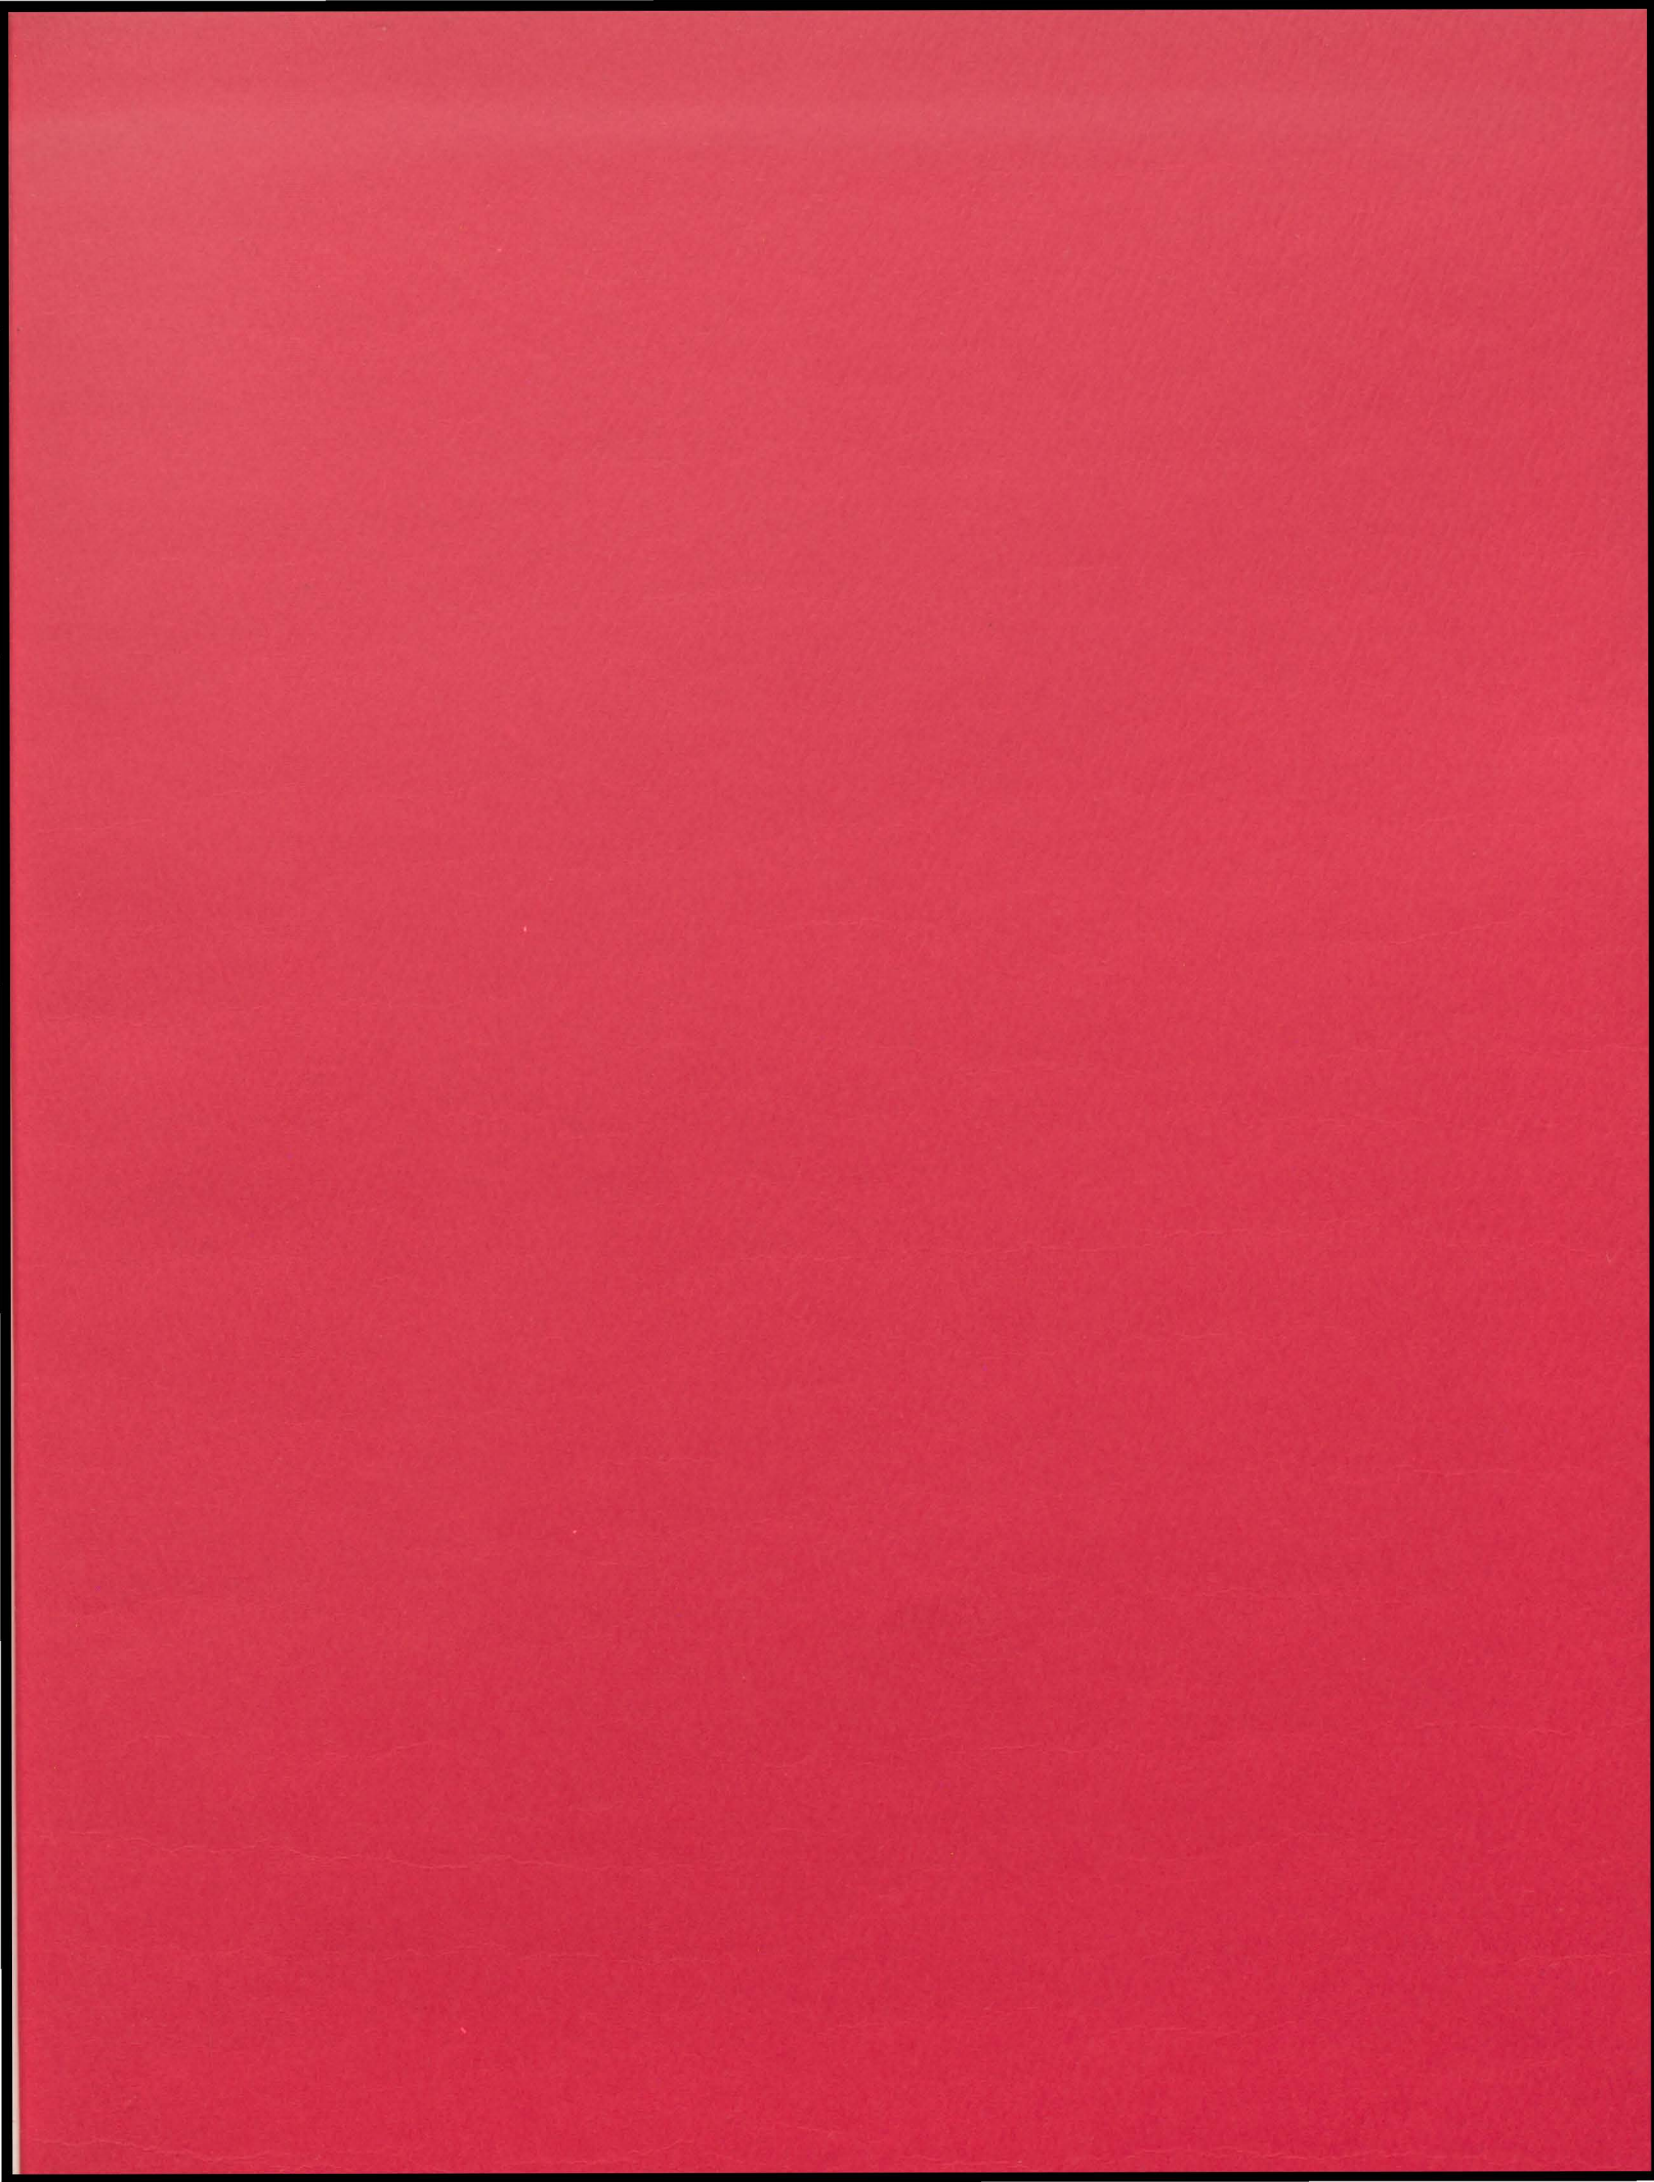

There are many people who deserve many thanks for their help in making the SPIRIT OF 76 a success. I'd like to use this page to mention them. Josten's American Yearbook Company and their representative, Betty Uxa; The Times Herald, Judy Allen for lending us her negatives; Bob Andrews for his division page artwork; Mr. Bargiel's advanced typing class; Rick Kullendar, designer of the cover; Mr. Spraggs, for his after hours assistance, and his lifesaving photography work; and last but most important Miss Borst and the whole yearbook staff. Without these people there wouldn't be a yearbook.

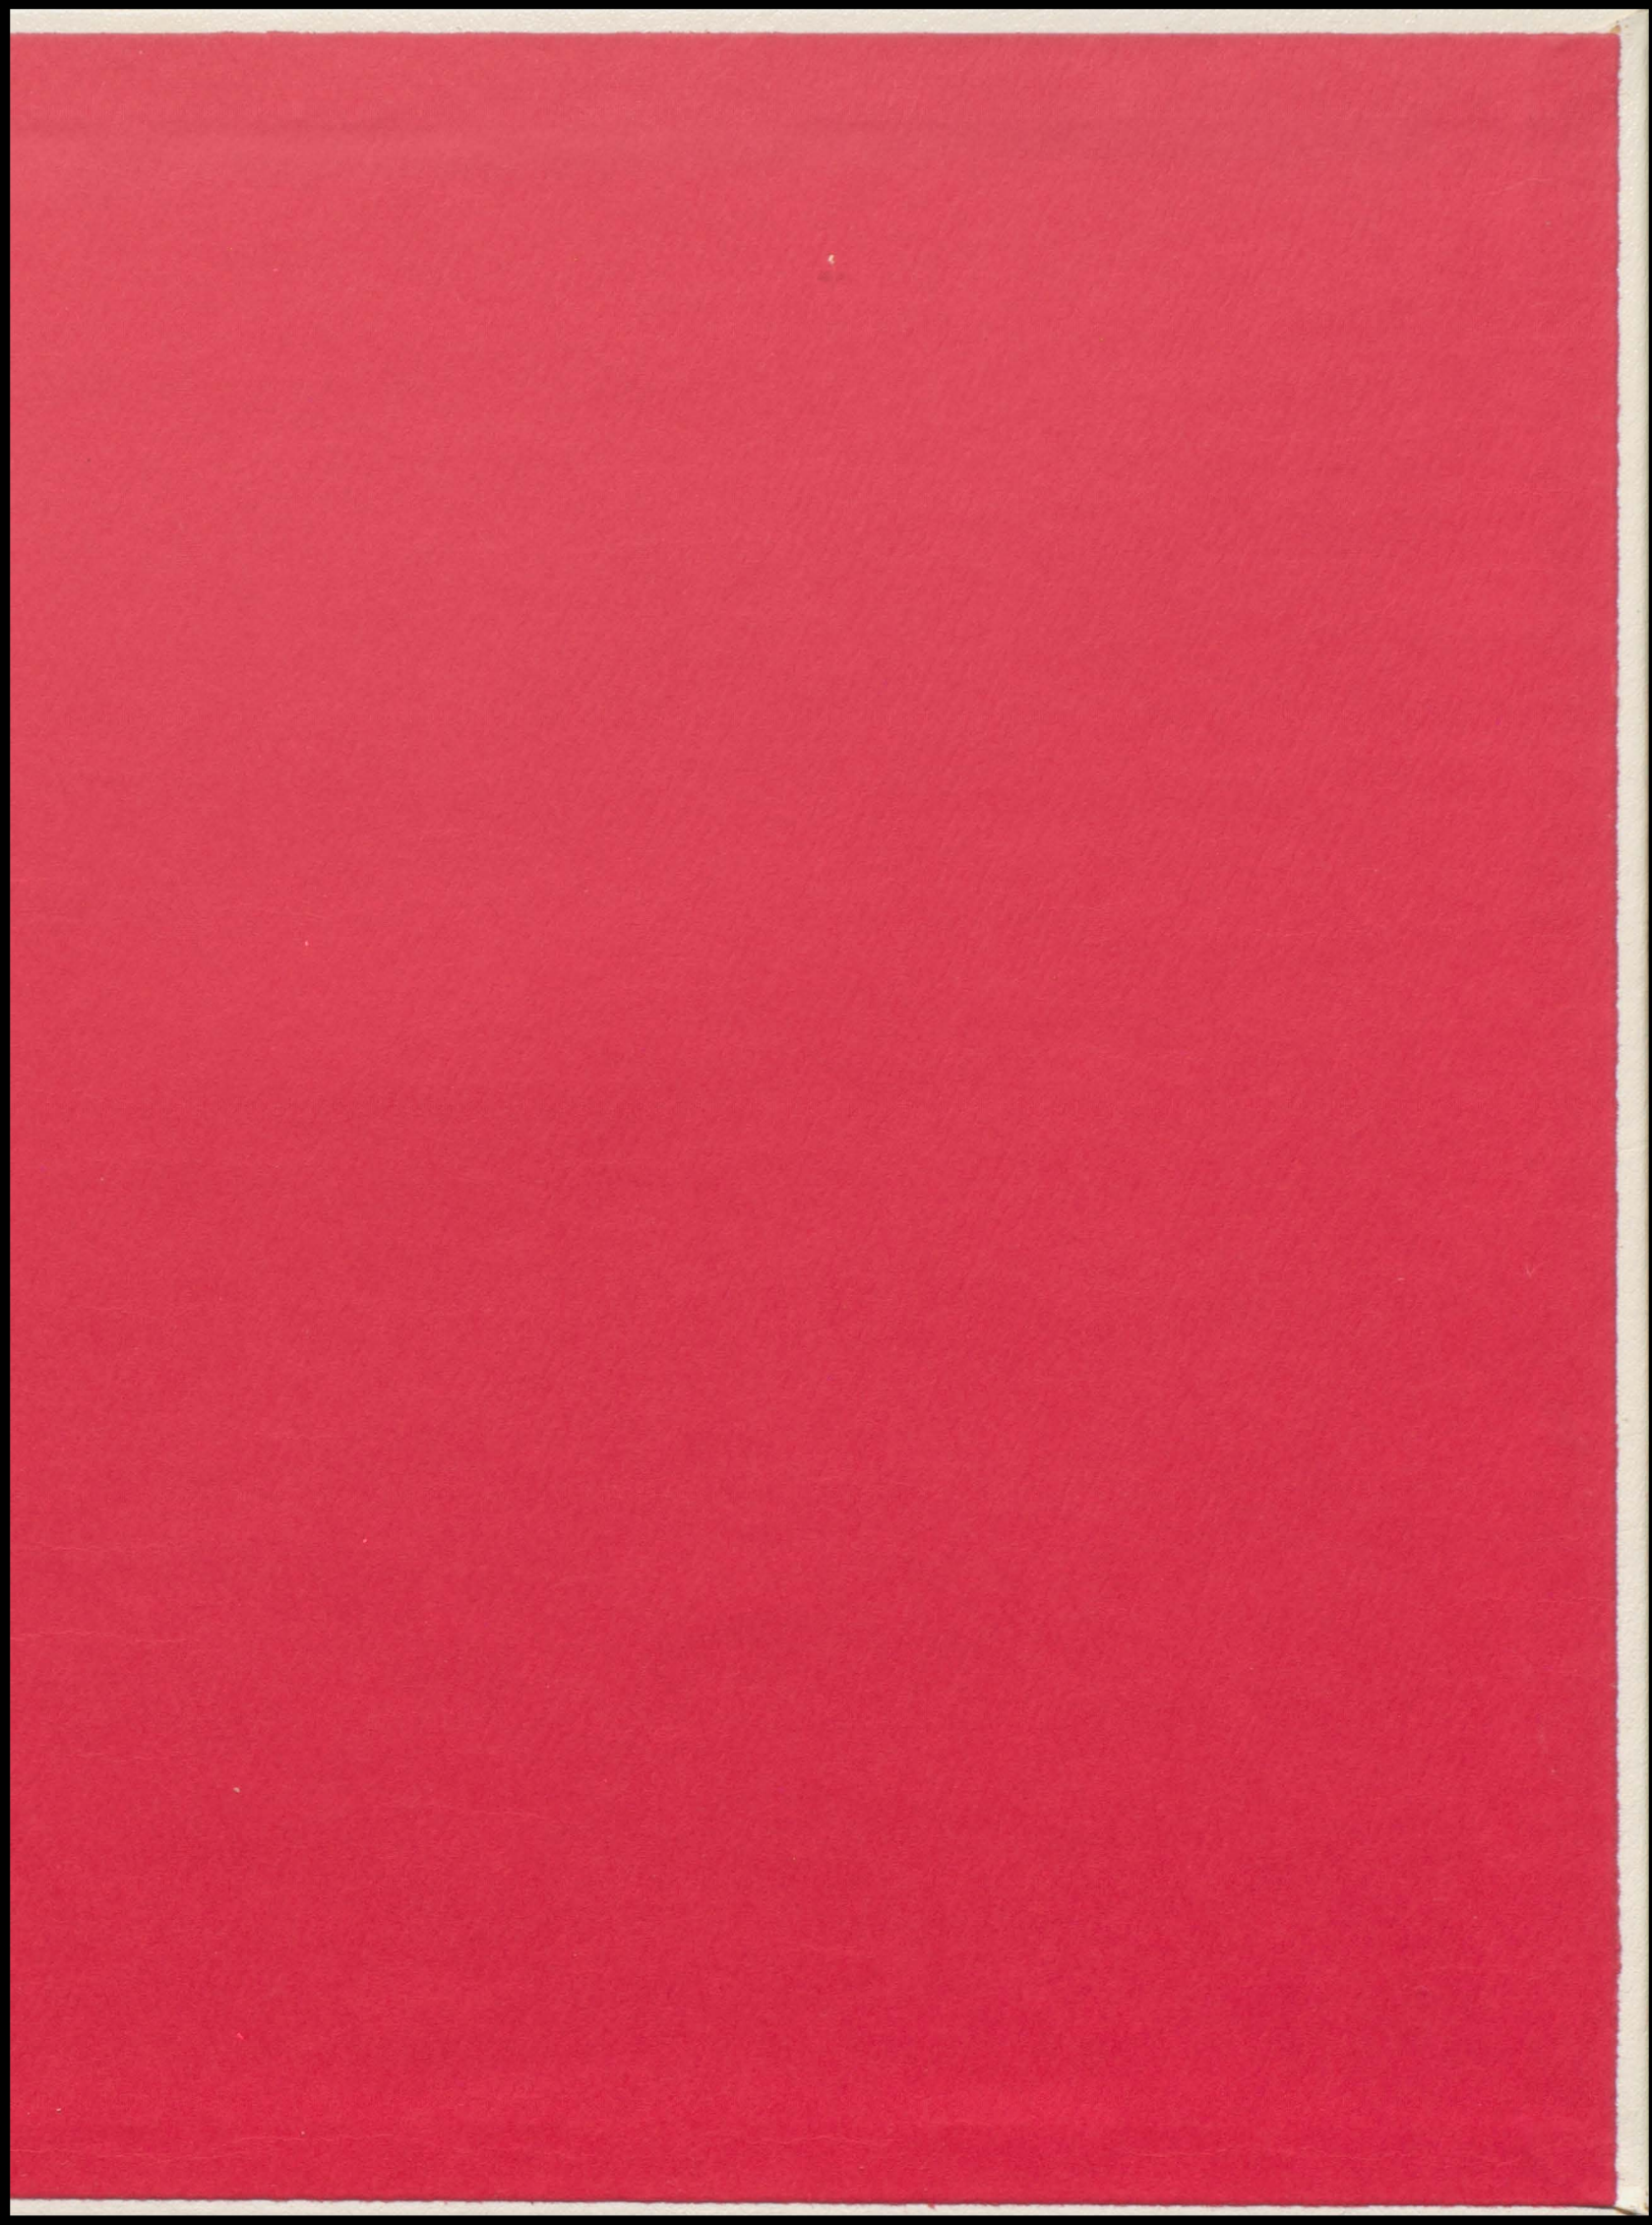

The SPIRIT OF 76 has brought out the BiCentennial theme. Without the people of the past there wouldn't be U.S..

Thank you
Denice Beauvais
